National Honor Society Inducts 70

Scholarship, character, leadership and service to the school are the four categories used as criteria for induction into the National Honor Society.

Seventy members of the HHS senior class were inducted into the society this year in an impressive ceremony held on the evening of February 25. Principal Michael Minor provided the opening remarks, followed by an address by Mr. John Gallagher, director of curriculum and research. Mr. Minor then presented the honorees with certificates and awards. Following the ceremony, refreshments were served in the cafeteria for everyone attending.

Elected by other members to serve as officers were Mary Beth Chipkevich, president; Gene Fellin, vice-president; David Cohn, secretary; and John Salata, treasurer.

Senior Day Program Filled With Comedy

This year's Senior Day program was geared to music and comedy. It had no common theme, but provided a good afternoon of entertainment for all.

"Stormin' Norman" rocked the stage with an Elvis Presley imitation, generating excitement with his wild movements. "The Blues Brothers," Jackie Ferdinand and Derek Widis, gave us their rendition of "Soul Man" and "Rubber Biscuits". Other acts included Maryann Iero's "Grover's Restaurant," the Village People's "YMCA," the Czech sisters Beth Valentine and Kathy Stone), and the Dwarf Dance. Rich Manfredi added to the program with humorous emceeing.

A sea of painter's caps flooded the auditorium as members of the senior class proudly displayed their rank at HHS. The fact that the class -Shirts had not yet arrived failed to dampen spirits of the seniors who satisfied themselves by simply wearing school colors.

Mrs. Walko Senior Honoree

This year's Senior Banquet was held on March 7 in Stan Genetti's Pennsylvania Room. It was a warm affair enjoyed by over 250 seniors. The faculty members in attendance lauded the banquet as being one of the nicest and best conducted ever held.

Senior class honoree Mrs. Joan Walko and her husband, Mr. Joseph Walko, were guests of the senior class. Mrs. Walko, a chemistry teacher and co-advisor of the ski club at HHS, was presented with a Royal Dalton Figure by the senior class. In her acceptance speech, Mrs. Walko advised the students to have their dreams and to have the courage to fulfill them.

Everyone enjoyed the dinner, and the evening was rounded off by entertainment by "Whirlwind."

480 Seniors Receive Diplomas in 103rd Commence- ment

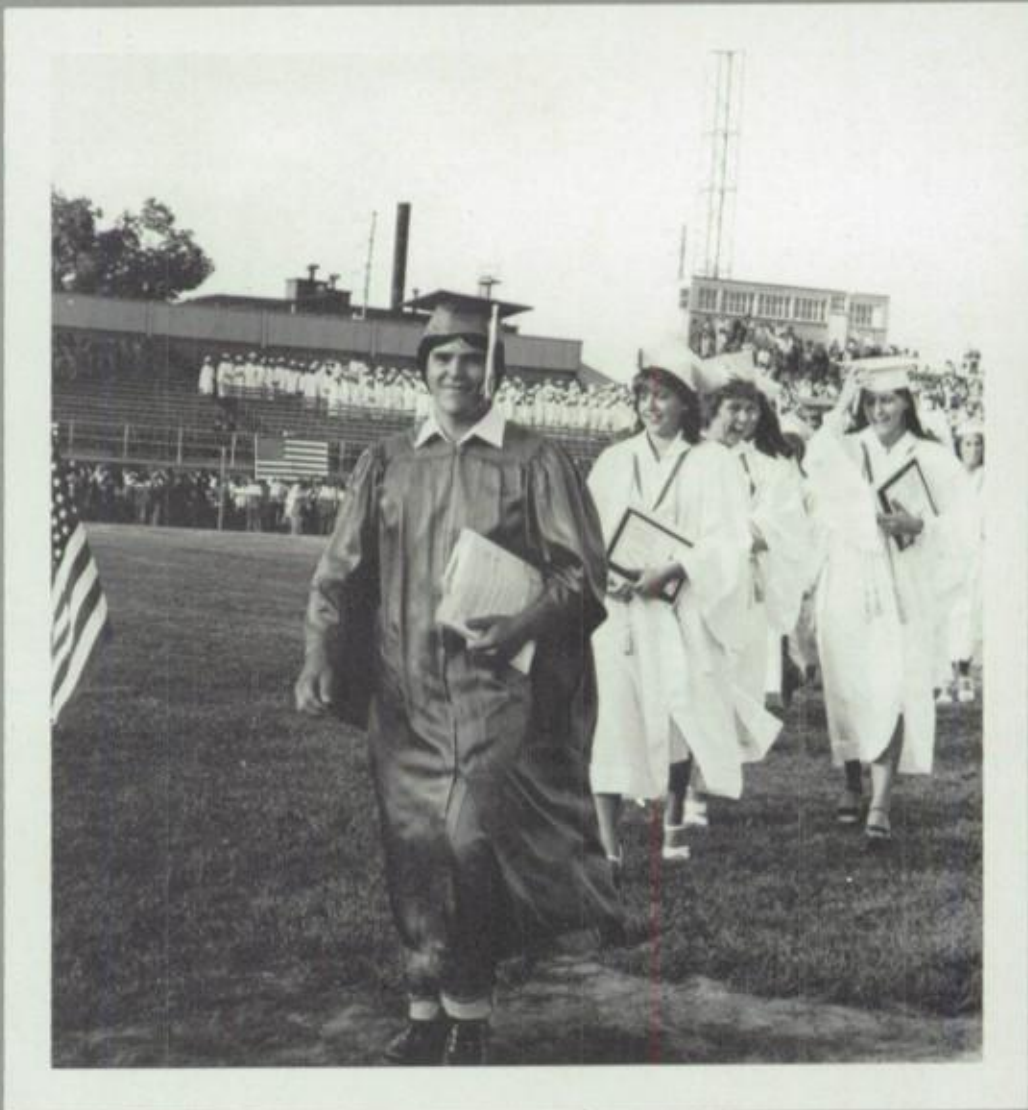

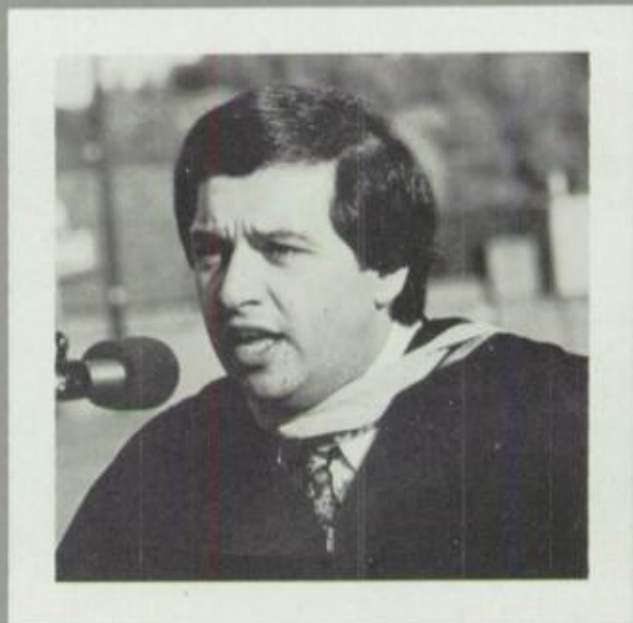

480 seniors graduated from Hazleton Senior High School in exercises conducted at Harman-Geist Stadium on the evening of June 13th in the 103rd commencement of HHS.

Michael M. Minor, principal, offered greetings to the assembled crowd of students, parents and friends. Top students of the class of 1979 were presented with awards by Daniel C. Parrell, superintendent of schools. The main speaker was Samuel J. Lesante, chairman of the Luzerne County Community College Board of Trustees.

Following the symbolic presentation of diplomas by Frederick Barletta, school board president, Joseph Lehan, senior class president, delivered the graduate's creed.

ACTIVITIES

JANUS Staff Records Year

Members of the *JANUS* staff spent a busy year working in the many different areas necessary for preparation of this publication.

Advertising and yearbook sales, the primary means of financing the yearbook, were supplemented this year by the sale of chocolate bars. This was necessary because of rising costs in publication brought about by inflation.

MOUNT- AINEER Staff Begins Newsletter

The Mountaineer staff, in addition to putting out the regular school newspaper on a quarterly basis, undertook the task of publishing 16 bi-monthly newsletter type papers this year. The new publication was called the MOUNTAINNEWS and was designed to cover scholastic, activity and sports news not normally included in the regular school newspaper due to the time lapse between the events and publication, or to a lack of space.

With the MOUNTAINNEWS, students were provided with a more timely means of keeping informed about school activities as they took place.

Student Council Active in Projects

Service to the school and the student body was the main focus of the many projects conducted by Student Council during the year.

Council members set up a program for sophomore orientation, assisted in the open house program, conducted a canned food drive for the needy and decorated the lobby of HHS for the Christmas season.

The council held two car washes, one for the benefit of Eric Haffner, and assisted in the annual awards assembly at HHS. Members also attended a seminar at MMI to exchange ideas with their Student Council and a seminar at Bishop Hafey concerning alcohol and drug abuse.

Finally, a juke-box was placed in the cafeteria this year for student use during lunch periods as a result of Student Council efforts.

Library Club Aid to Students

You've got a big test today and you have to study. But study hall's too noisy, too crowded. Where do you go? To the library, of course. The calm, well-organized atmosphere of the library is the perfect place for studying. This quiet room is kept in order by the members of the library club. These students have many necessary duties: Keeping books in order, helping students find what they are looking for, checking books in and out.

Under the supervision of Mr. James Rubinate, the library club helped to make the library a more useful and important part of school life in 1979.

Cadettes Continue Many Activities

Beginning the year with traditional initiation ceremonies, the cadette club of HHS continued with a series of activities which made this an active and memorable year.

These included bake sales, Christmas caroling, pantomime night, an assortment of speakers and demonstrations, a bus trip to Lehigh Valley Mall and the two big dances of the year that are sponsored by the club.

The first of these, the annual Sadie Hawkins dance, was held in the gym and was open to the whole school. The theme was "Hillbilly Hoedown" and refreshments were served.

The "Semi" was held at Gus Genettis' with entertainment by TNT. Lisa Thomas reigned as snowball queen at this affair.

FLO Members Learn About Cultures

The FLO, Foreign Language Organization, is designed to aid students of foreign languages in learning more about the cultures and customs of those countries being studied.

Activities included field trips to view French and Spanish films, decorating of a bulletin board in the main hall with seasonal themes in foreign languages, and the annual Christmas party in which the customs and foods of foreign countries were featured.

Laboratory Assistants Aid Teachers

Laboratory assistants are chosen by science teachers each year from among their students of the previous year who have demonstrated a particular aptitude in different science courses.

The lab assistants aid the teacher by setting up various experiments and helping in carrying them out. They also assist students with their work when possible, run errands and help care for and properly store equipment used in the laboratory.

Diggers Hold Holiday Parties

The HHS Diggers club, under the direction of Mr. G. Robert Shanno, continued this year with its traditional activities designed to brighten the lives of various groups within the community.

Halloween, Christmas and Easter parties were given for the children in special education classes in the Hazleton Area School District. A special event this year was the party given for the residents of the Lutheran Home in Hazleton in which Diggers were joined by the Advanced Chorus of HHS in entertaining the guests, among whom was the founder of the Diggers Club at Hazleton High School.

Ski Club Sponsors Six Trips

The Ski Club is designed to suit everyone interested in the sport of skiing from the fumble-footed novices to the truly adept hot-dogs. Beginners can take lessons to learn and the practiced skiers can become more practiced, all the while enjoying the companionship of their friends.

This year the club was hampered by an unusually warm, rainy winter causing the postponement of two trips. Despite the weather the club managed to get in six trips to Jack Frost and Big Boulder ski areas. Minor changes were made in the usual routine of the club with the addition of a sixth trip at the insistence of the members. Another change consisted of switching the day of the trips from Saturday to Sunday because of smaller crowds, on advice from representatives of both Jack Frost and Big Boulder. The club sold Christmas cards and candy to help defer the cost of the trips.

Health Club Has Speakers, Field Trip

The Health Careers Club is designed to give students who are interested in a health related field the opportunity to learn more about their chosen profession as well as to familiarize them with other options open to them in health fields.

The club heard from several speakers from different medical professions during the year. Doctor Victor Greco spoke on problems faced in getting through medical school. The club also heard from Elaine Pataki of the Hazleton-Nanticoke Mental Health/Mental Retardation Center. A panel of student nurses from the Hazleton State Hospital was present for another meeting. The club also visited Allied Health Services in Scranton on Monday, May 14, 1979.

A bake sale was held to help finance this trip.

Spirit Club Instills School Pride

Spirit club members once again made a concerted effort to instill pride and school spirit in the students and athletic teams of HHS.

Many members spent long hours painting the huge signs that decorated the halls of HHS before many important football and basketball games. For the second straight year the club sponsored a homeroom decorating contest which helped raise morale and school spirit.

In addition, club members could be seen cheering our teams on at most athletic contests throughout the year.

DECA Club Aids Charity

The DECA club (Distributive Education Clubs of America) is made up of Distributive Education students who gain practical work experience at various jobs while attending school part of the time. Club members contributed funds to the Hazleton Swing Club Charity Christmas drive this year, to benefit the needy of the Hazleton Area. The club also raised money to aid the D.E. program by selling candy during the year.

Distributive Education students were recognized in the business community by a number of local businesses including the Downtown Retail Merchants' Council, the Standard-Speaker, Petruzzi's IGA Supermarket, Discountland, Fowler, Dick and Walker and American Finance Company.

1979 STAGE CREW, FRONT (L. to R.): Pete Andraski, Matt Kranyack, Mark Beck, Barry Lobitz, Mr. Gatski, advisor. REAR: Dominic DeAngelo, Mark Kranyack, John Salata, Marvin Graaf, Joe Cabell.

Stage Crew Aids Many Groups

The stage crew is an invaluable aid to any group making use of the stage during the course of the year. Members prepare and dismantle any props, furnishings, lighting or sound equipment to be used in plays, concerts, fashion shows and this year, even yearbook homeroom pictures.

FBLA Hosts Regional Conference

The Hazleton High School FBLA club highlight of the year was the Regional Leadership Conference for which HHS was host. Schools from the surrounding region competed in tests which included accounting, shorthand, typing, math, public speaking and business communications. Hazleton High School took third place in the outstanding chapter competition at the conference which was held March 9.

The state project for the HHS chapter was raising money for the Lions' Club. A fashion show sponsored by the club brought in over \$125.00 for the Lions and HHS received 5th place for the state project at the state conference.

The club also collected over 1000 eye glasses for the Lions Club.

In other projects the FBLA held a Type-a-thon to help the March of Dimes, a Valentine's Day Carnation Sale and candy sales.

Club officers in 1979 were: Maryann Iero, president; Laurie Trella, vice-president; Pam Beishline, secretary; Carol Marinock, corresponding secretary; Cheryl Marushak, treasurer; and Shirley Miller, point-keeper.

PYEA Learns About College

The Pennsylvania Youth Education Association, PYEA, is designed to increase student awareness of what life is like at a college campus by visiting one. This helps the student determine which college they want to attend, what courses to elect, and what career choice to follow.

During the course of the year the club had several money raising projects to help finance the college trip. They included pen sales, bake sales and dances.

FROM LEFT (L. to R.): PYEA OFFICERS: Kathy Stevens, vice-president; Barbara Stich, secretary-treasurer; Nadia Puhak, president.

Dolphins Recap Past Shows

The 1979 Dolphin show was a particularly memorable one. Using "Memories from the Dolphin Scrap-book" as a theme, the Dolphins took the audience on a fantasy trip into the past. Decorations, self-choreographed routines, and special effects provided evidence of the hard work put into the performance.

"The Syncopated Clock" from 1946 was the starting point of the trip which ended in 1977 with "Bees." Swan Lake, Disney, Broadway, Colors, Hawaii, and a baseball game were a few of the stops along the way. At the end of this trip through the past both audience and club members considered it a journey well worth taking.

Thespians in "Get Smart" and "Blithe Spirit"

The thespian club put on two successful productions this year. The first of these, a comedy titled "Get Smart" and adapted from the hit television series of a few years back, was directed by Mr. Raymond Smith and performed for an appreciative audience for two nights in mid-December.

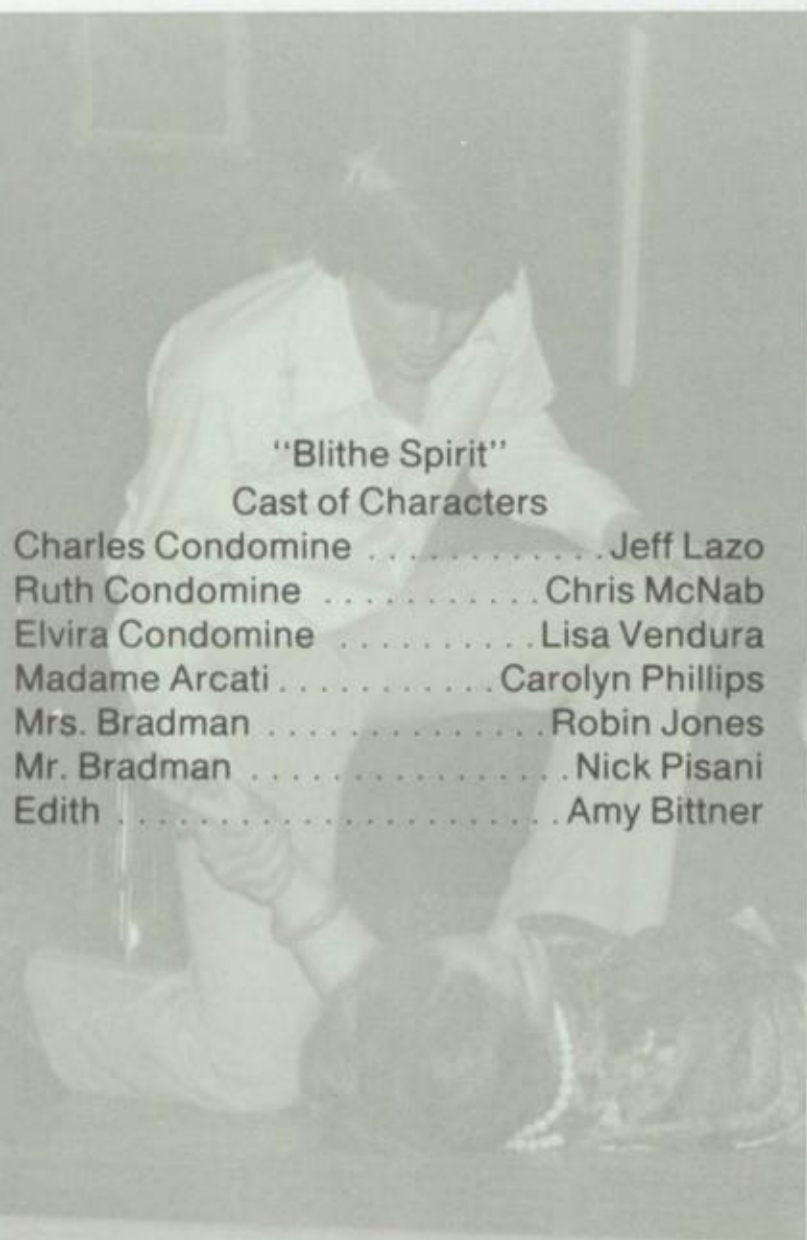

The second production was the highly regarded Noel Coward comedy "Blithe Spirit". This play was directed by Mr. Gary Labanoski and presented on January 15th and 16th. Both plays were well received and provided the students involved with an excellent opportunity to become familiar with the many facets of dramatic production.

Chorus, Glee Club Perform for Varied Audience

The Advanced Chorus and Girls' Glee Club provided HHS with fine singing once again this year.

In addition to their usual HHS performances at Christmas and in the spring, the choral groups presented several programs outside of school for local civic groups. They also performed at the Diggers' Club party for senior citizens at the Lutheran Home. The chorus and glee club, under the direction of Mr. Raymond Smith, were well-received wherever they performed.

Band Travels, Performs

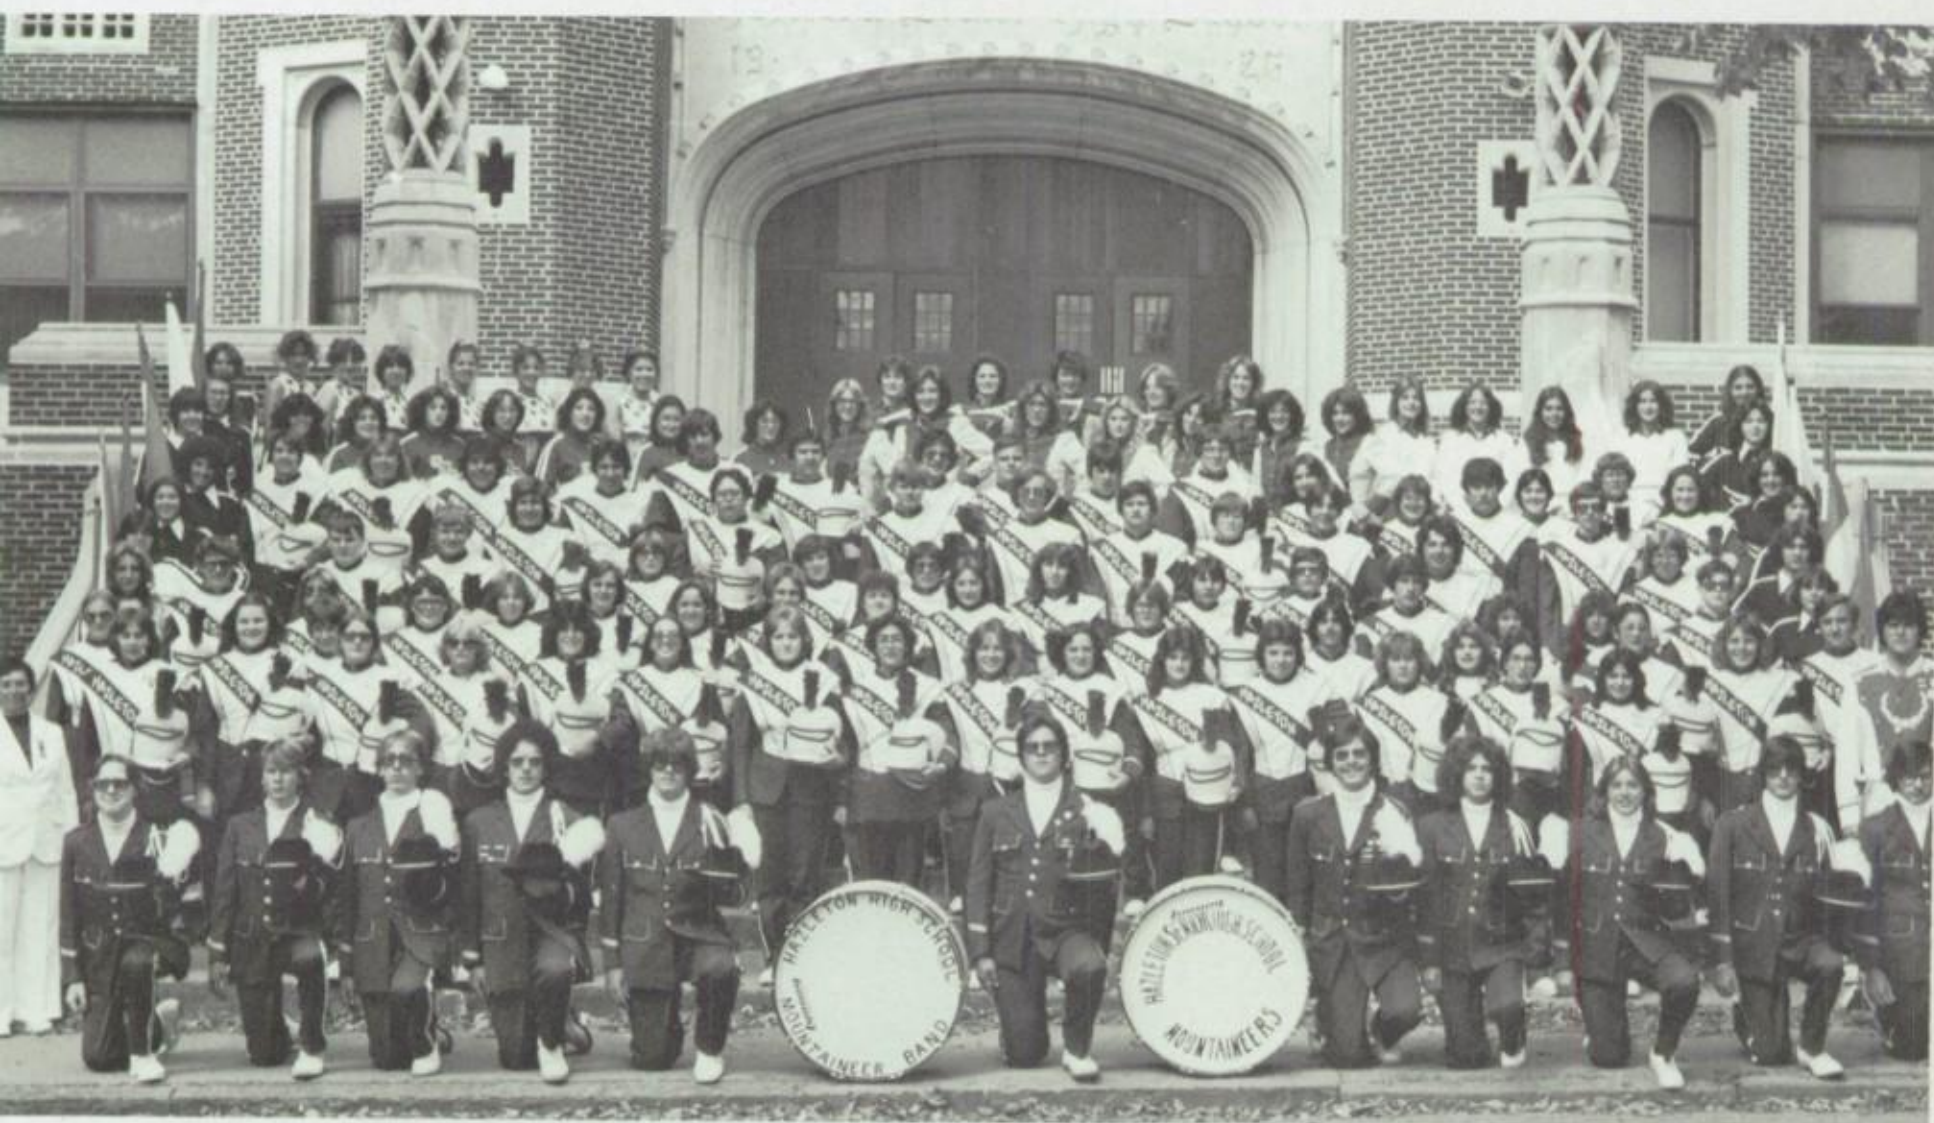

The HHS band, directed by Miss Elsie Hochella, had another very active year participating in many parades, competitions and school events.

Members were also kept busy with a variety of fund raising projects including Blimpy sales, and sales of gym bags, cookies, candles, oranges, Tootsie Rolls and other candies. Money earned was used to help finance a May trip to Niagara Falls, Canada; and other trips.

The band also marched in many local parades, entered several competitions, and gave concerts in the spring and at Christmas. They also participated in Band Day at Gettysburg College, took part in the "Salute to Israel Parade" in New York City, entered the National Safety Patrol Parade in Washington, D.C. and marched at Philadelphia's Veteran's Stadium during "Hazleton Day" at a Phillies baseball game.

Band officers for 1979 were Paul Fierro, president; Jackie Cameron, vice-president; Vince Hebel, secretary; Mike Arlotto, treasurer; and Joseph Lehan, drum major.

Band Front Adds to Effect of Band

The various band front squads accompany the band at most performances. These include all marching events and all home basketball games at which the fronts perform.

The squads add to the visual effect of the band and improve general appearances. They were very active this year performing in many band competitions, parades and concerts with the band itself.

The band front also actively participates in the many fund-raising activities undertaken by the band to help finance projects such as the various trips, which this year included such diverse destinations as the Allentown Fair, Atlantic City, Philadelphia, Niagara Falls, Canada; and New York City.

Mountainettes Cheer on HHS Wrestlers

The Mountainettes, a revitalized and renamed group of cheerleaders formed specifically to support wrestling at HHS had an active year which included fund raising activities in addition to their cheering at wrestling meets.

The girls also held a wrestling pep rally and sponsored a fan bus to a Saucon Valley match.

Cheerleaders Win Honors

This year's HHS cheerleading squad placed second at cheerleading camp picking up six ribbons for spirit, enthusiasm and gymnastics.

This spirit and enthusiasm was evident at most HHS sporting events throughout the year. The girls did a fine job of cheering on our teams in basketball, football, girls' basketball, cross-country, track, and baseball.

With the help of the Cheerleading Parents' Association the squad purchased new uniforms this year.

Homecoming Ceremonies Held

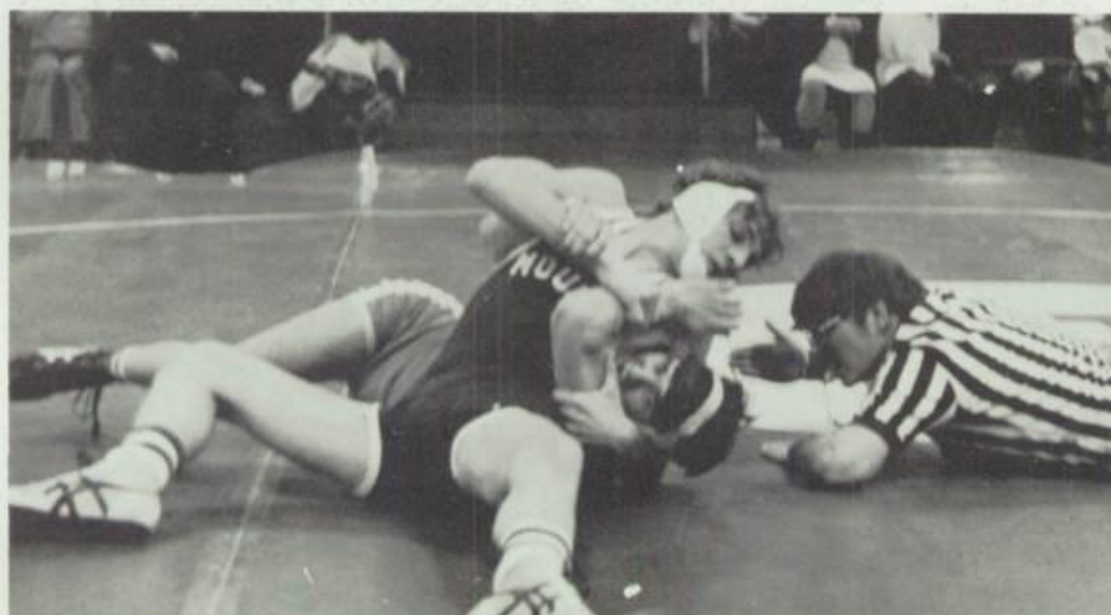

Traditional Homecoming ceremonies for the 1978-79 year took place at Harman-Geist stadium during the last home football game of the season. A slight change was made in the method of choosing the queen and her court this year, with all senior homerooms participating in the voting.

At the stadium, Mr. G. Robert Shanno announced the events of the big night beginning with the crowning of Mary Joan Marsicano as queen by Mr. Michael Minor, HHS principal.

Members of the queen's court were then introduced. They included Danielle Parrell, Sally Pollock, Susan Medvecky, Lisa Thomas, Kathy Stone, Doreen Deno and Colleen Denight. Senior football players were also introduced with their parents and flowers were presented to all senior cheerleaders.

Mountaineer Football Team Has Third Winning Year

The HHS Mountaineers started the football season big by going undefeated in their first four games. Unfortunately, they dropped several key games, but still managed to give Coach Mike Klembara his third consecutive winning season at HHS.

The Mounts started the season with a strong victory over Reading Holy Name 24-13. They followed it up with a win over arch-rival West Hazleton 26-6 in which Dennis Buchman scored twice and Jim Fadule completed a pass to Don Elko that went for a total of 73 yards and scored a touchdown. The next week they managed to tie a heavily favored and much larger Berwick team with a 6-6 score. They achieved their third victory and fourth straight game without a loss by beating Shamokin 8-0. A strong defense held Shamokin to only 106 yards total offense.

The Mounts then disappointed expectations of an undefeated season as they suffered losses to Tamaqua and Archbishop Carroll, 32-8 and 21-6, respectively. The following week they held out for a scoreless tie against Shamokin in a game that featured strong defense on both sides. Strong defense again aided the Mounts a week later as they defeated North Schuylkill 20-12. Dennis Buchman scored twice for the Mounts. Both scores occurred while he was on defense in his linebacker position. The Mounts suffered defeat at the hands of Marian 13-12 in a heart-wrenching game in which the inability to convert extra points, a problem which plagued the team all year, made the difference in a game in which Hazleton was heavily favored. HHS lost again the next week, this time to Pottsville 13-6 as they managed to control the game

for three quarters but gave up two touchdowns in the fourth.

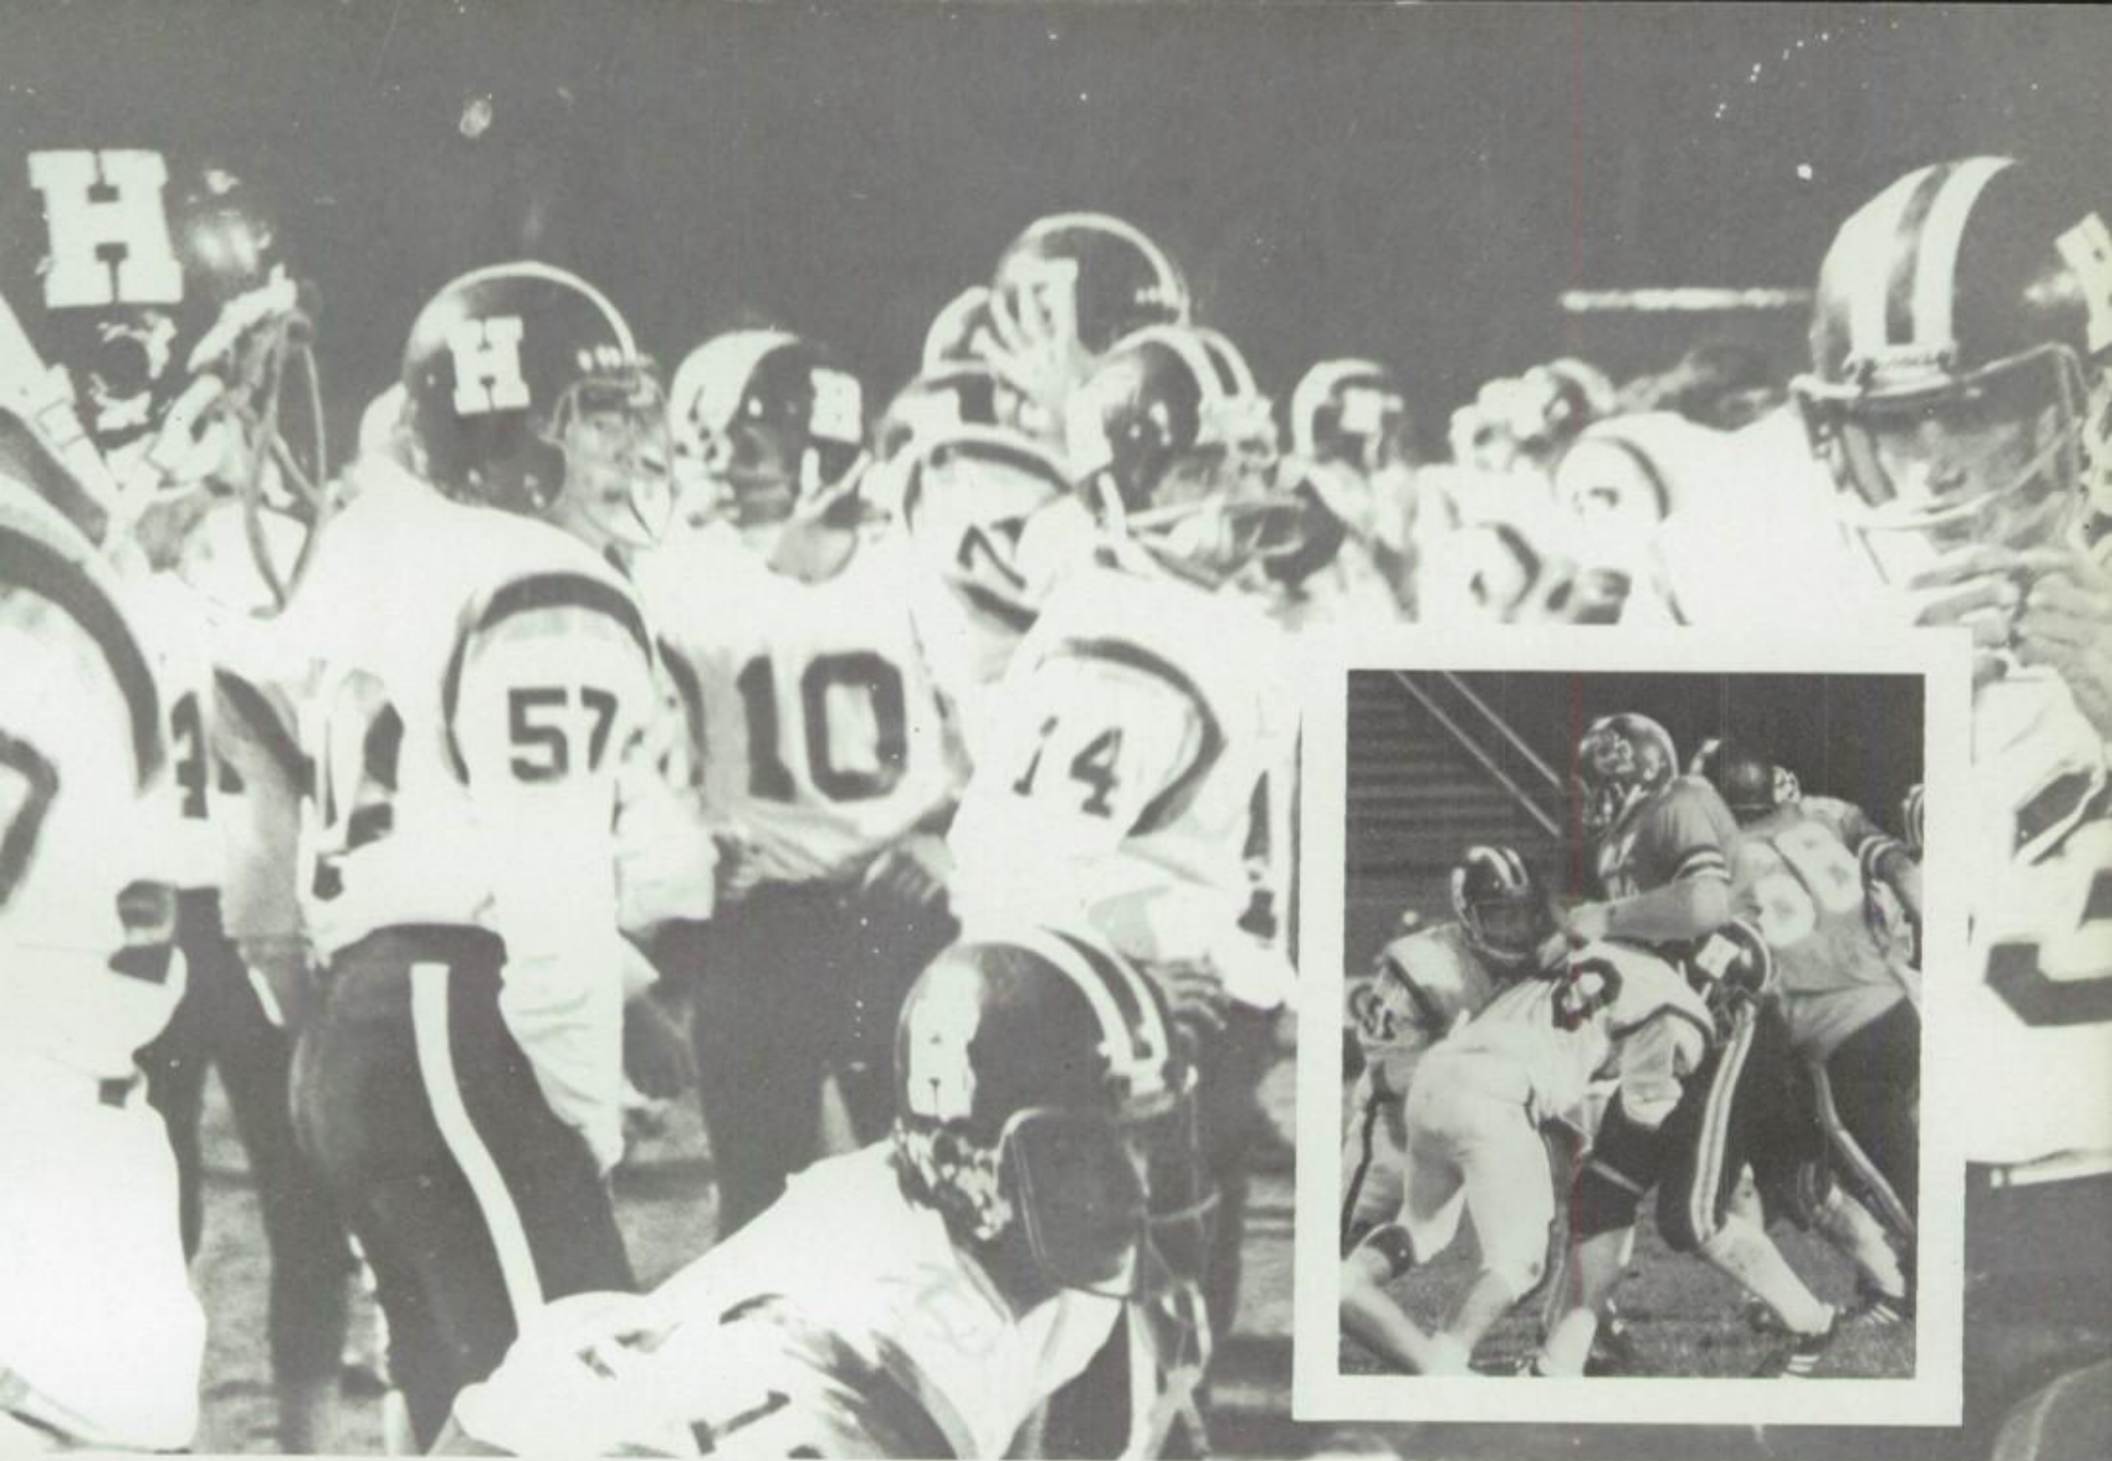

The team rallied for the final game of the season defeating Lourdes 44-6 as Dennis Buchman piled up 182 yards rushing and three touchdowns as a really psyched team gave Coach Klembara his third straight winning season in as many years at HHS.

The Hazleton Quarterback Club presented awards to several HHS players to honor their individual achievements. Winners were: Dennis Buchman, Stan Olenn Award (top offensive player) and Pancho Villa Steak House Award (top all-around player); Tony Liene, Eugene Boyarski Award (top defensive player); Gene Fellin, varsity player with the top academic average; Jack Ferdinand, special award for excel-

lent punting.

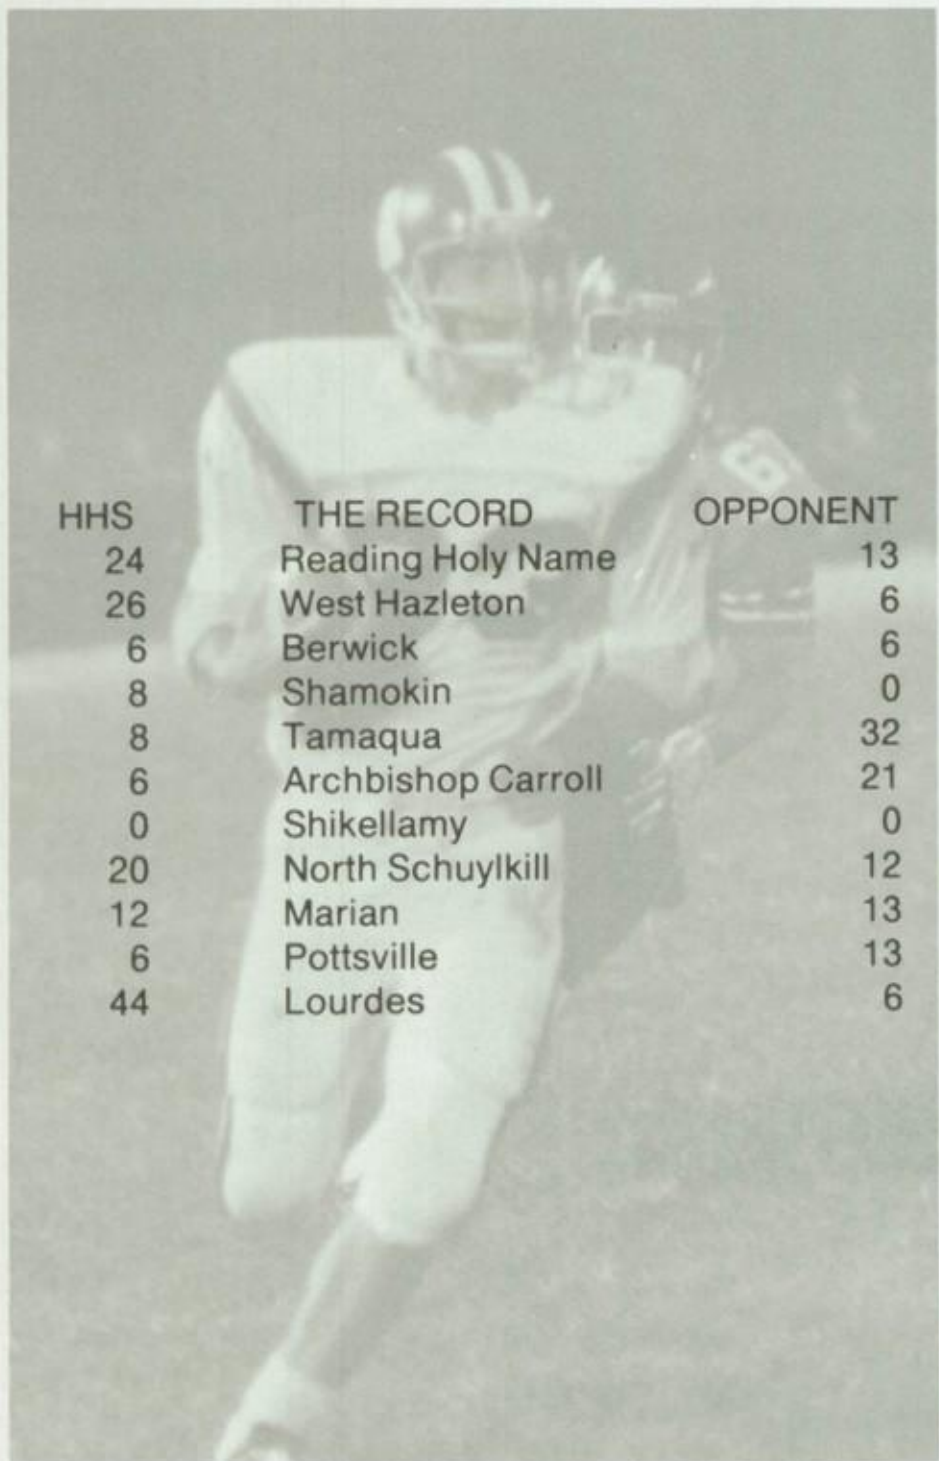

The team, although they came out ahead with a 5-4-2 record, disappointed most Mount fans who expected an even better season. The main reason for this underachievement was the inability to convert extra points and kick field goals. This problem played a key role in three of their games. Both the tie with Berwick and the loss to Marian could have been turned in our favor with successful extra point attempts. In addition, a simple field goal could have won the scoreless game against Shikellamy. Still and all this year's Mountaineers did a fine job and if they patch up a few remaining holes in the team, may come back next year with a real contender.

Golf Team Improves

The 1979 HHS golf team improved tremendously over last year's record of 3-9 with an excellent 8-4 record. The team, with a few more members and an extra year's experience, showed the area that HHS can swing a club, zipping their opponents three times during the course of the year.

Bill Troyanoski was the team leader with a 79.33 average and a low game of just 68 strokes. John Suda placed second in average on the team, with a sound 85.16.

After this year it seems possible that HHS might receive some glory in future years from an unexpected source, on the golf course. We congratulate coach Edward Matisak and the entire team and wish them more success in future years.

Girls Shine in Cross Country

In cross country this year the spotlight was on the girls team which compiled a 6-0 record while the boys managed only 3 wins with 8 losses.

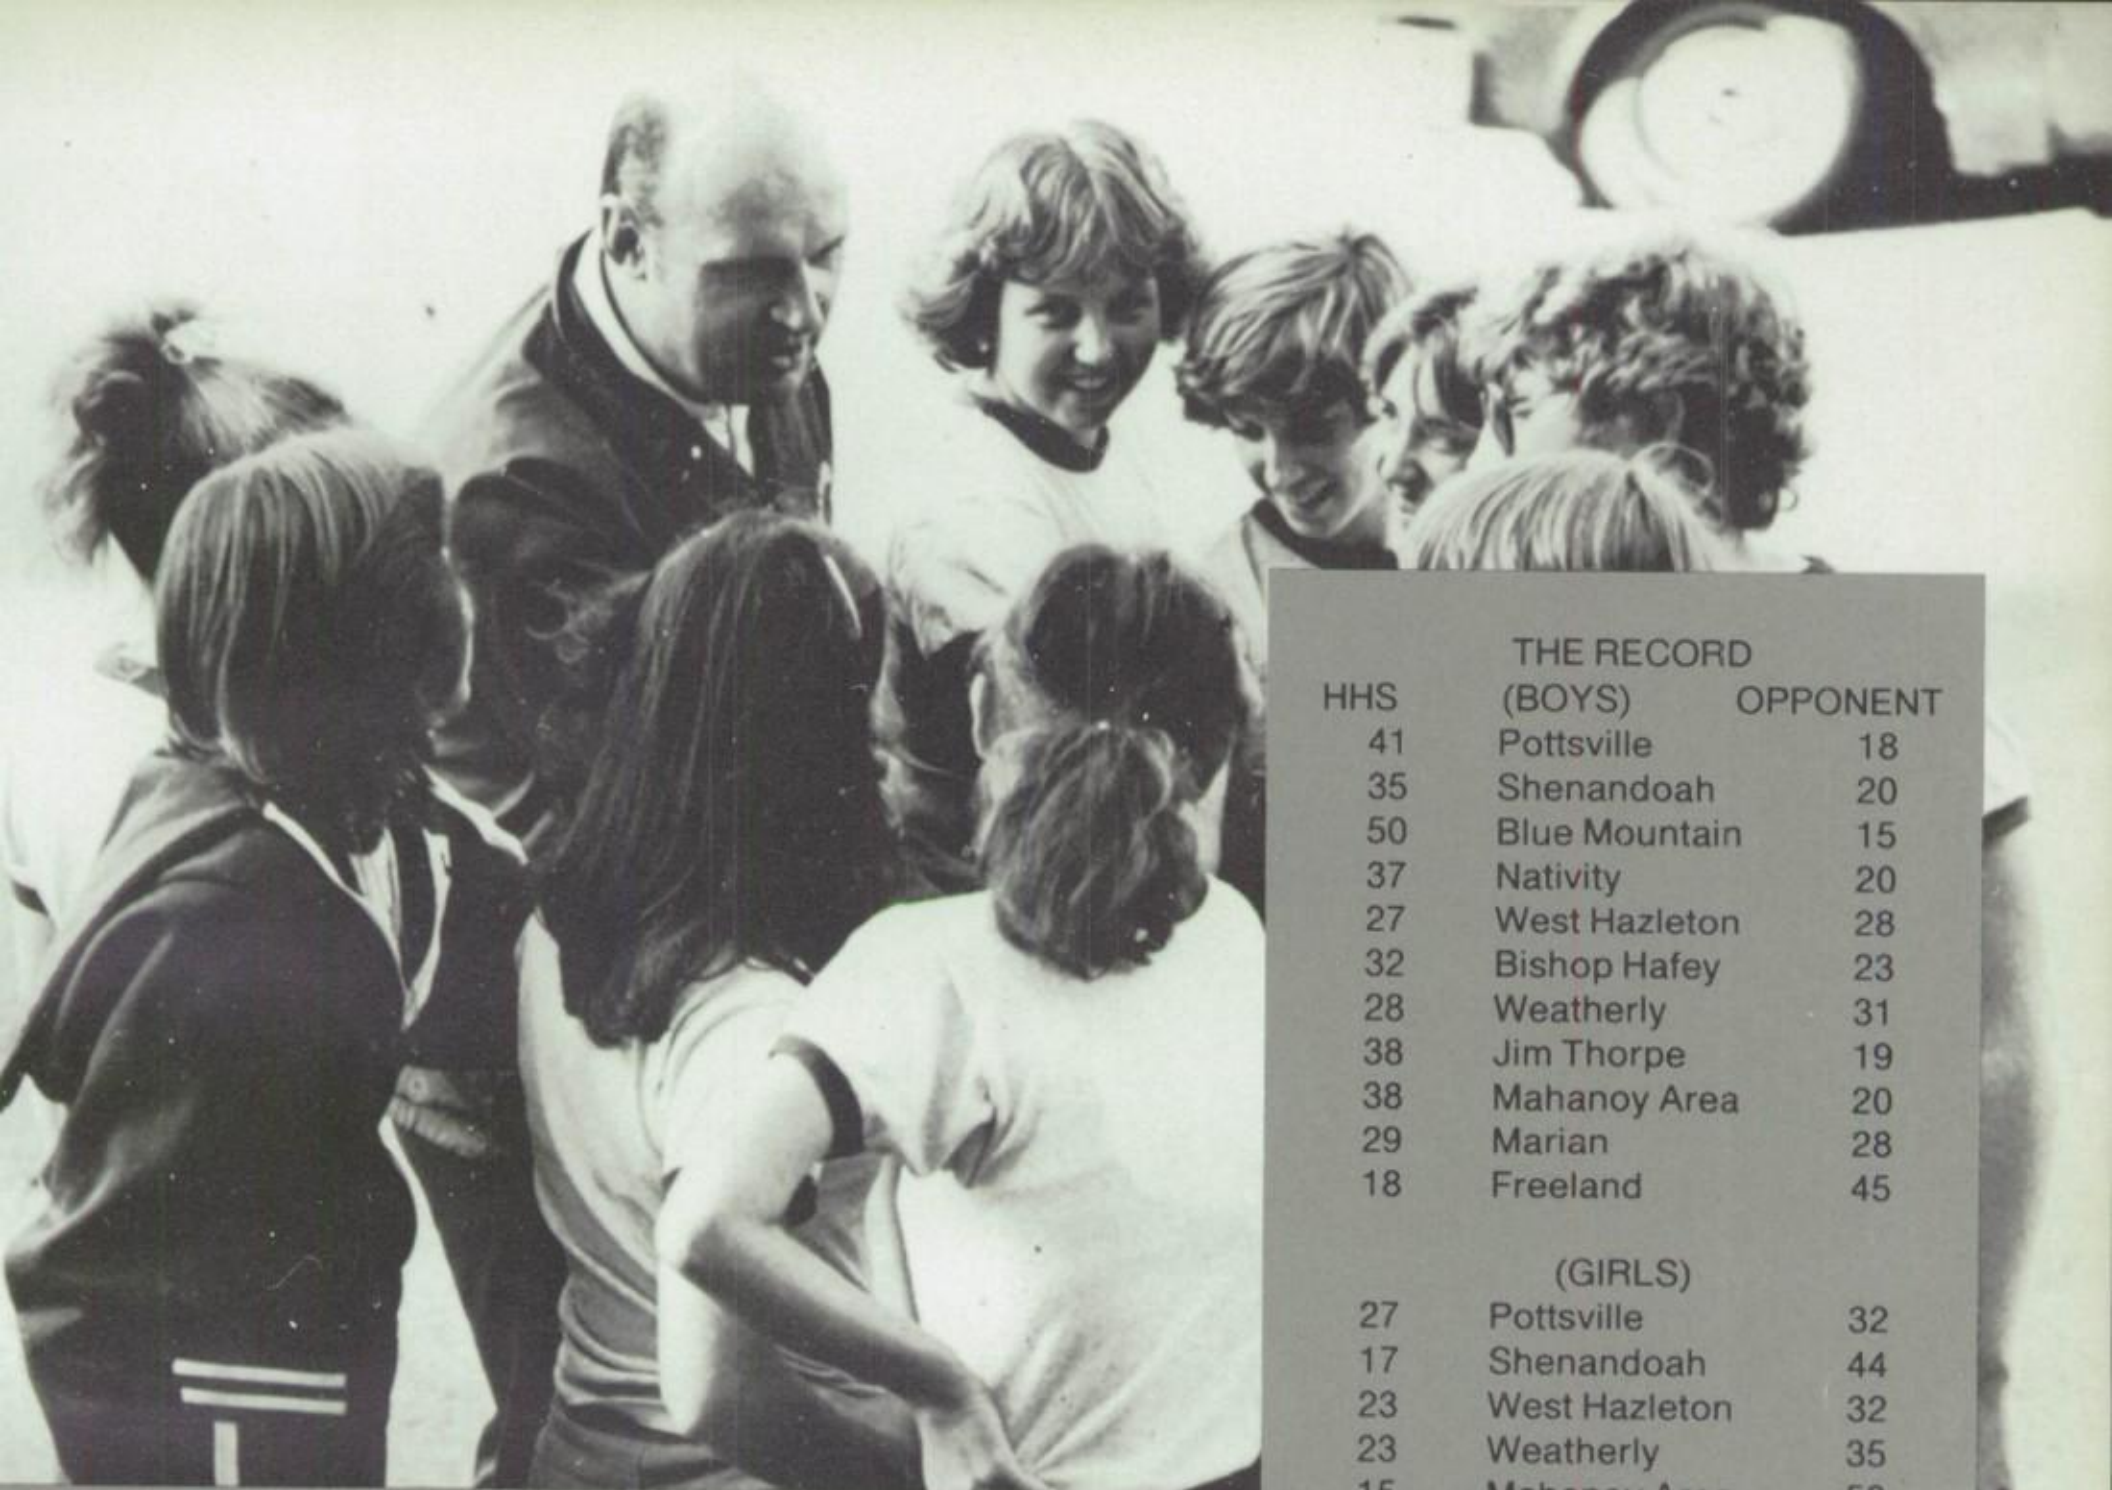

Leading the girls was Linda Matyas who set a new school record with a time of 14:45 on the home course. The most consistent runner for the boys was Mickey Teletovich, followed closely by much improved Steve Matyas, a sophomore.

The girls also stole the thunder at the Schuylkill County Cross-Country League Meet, winning the girls meet with a team score of 69 while the boys managed to finish in 8th place. Top finishers for the girls were Janice Yevak, 5th; and Linda Matyas, 6th.

HHS boys placed 12th in the District 11 meet while the girls placed 4th led by Linda Matyas with an 11th place finish, making this the best finish for a HHS team in a district meet. The girls deserve congratulations for an overall great season. Their record seems even more impressive when you consider that this is only the second year Hazleton has had a full girls team.

Girl Swimmers Break Records

The HHS girls swim team placed third in the All League Meet. Unfortunately during the regular season they managed to accumulate only two victories, despite great individual achievements during the year.

The 200 yd. medley relay team, consisting of Peggy Schnitzer, Cori Zink, Grace Schnitzer, and Marjorie Baran, broke the school record of 2:17.2 set last year with an excellent time of 2:11.1, set the pool record with an equally admirable 2:12.2, and took first in the All League Meet in this event. Cori Zink broke the school record, which she held in the 100 yd. breaststroke, with a fast 1:19.0, which tied the pool record and took first in this event at the All League meet. Again Cori set a school record, this time in the 50 yd. freestyle, completing it in only 28.5 and took third in the All League Meet. Peggy Schnitzer also broke a

school record in the 100 yd. freestyle, in only 1:04. She also placed first in the 200 yd. individual medley and second in the 100 yd. butterfly at the meet. Still another record was broken, this time in the 100 yd. butterfly with a time of 1:11.6 by Grace Schnitzer, who in addition, placed second in the 200 yd. individual medley and third in the 100 yd. butterfly at the All League Meet. Other places taken were third in the 100 yd. breaststroke by Dana Zink, two fourth place finishes by Marjorie Baran in the 100 yd. freestyle and the 50 yd. freestyle and a sixth place by Beth Matuskevich in the 100 yd. backstroke.

Although they had a poor season, the girls showed everyone at the All League Meet that HHS can put out good swimmers and hopefully they will keep proving it in the future.

Boy Swimmers Win Only One

The HHS boys swim team finished poorly this year managing only one win while accumulating fifteen losses. The main reason for their disastrous season was a lack of depth and experience. Because of this, however, they should be able to field a strong team during the next couple of years. The majority of squad members this year was made up of sophomores.

Basketball Team Record — 10-17

The Mountaineer boys' basketball team finished this year with a disappointing 10-17 record, due mainly to a lack of height and to foul trouble. Top scorer for the Mounts was senior guard Carmen Feola, who finished his basketball career at HHS with an amazing 896 points overall. This puts him second in all-time scoring in the history of the sport at this school.

Despite their poor showing record wise the Mounts did not perform poorly. Of their 17 losses 6 were within four points or less and many were lost in the final seconds of play. HHS started the season by winning three out of the first four games all of which were non-conference.

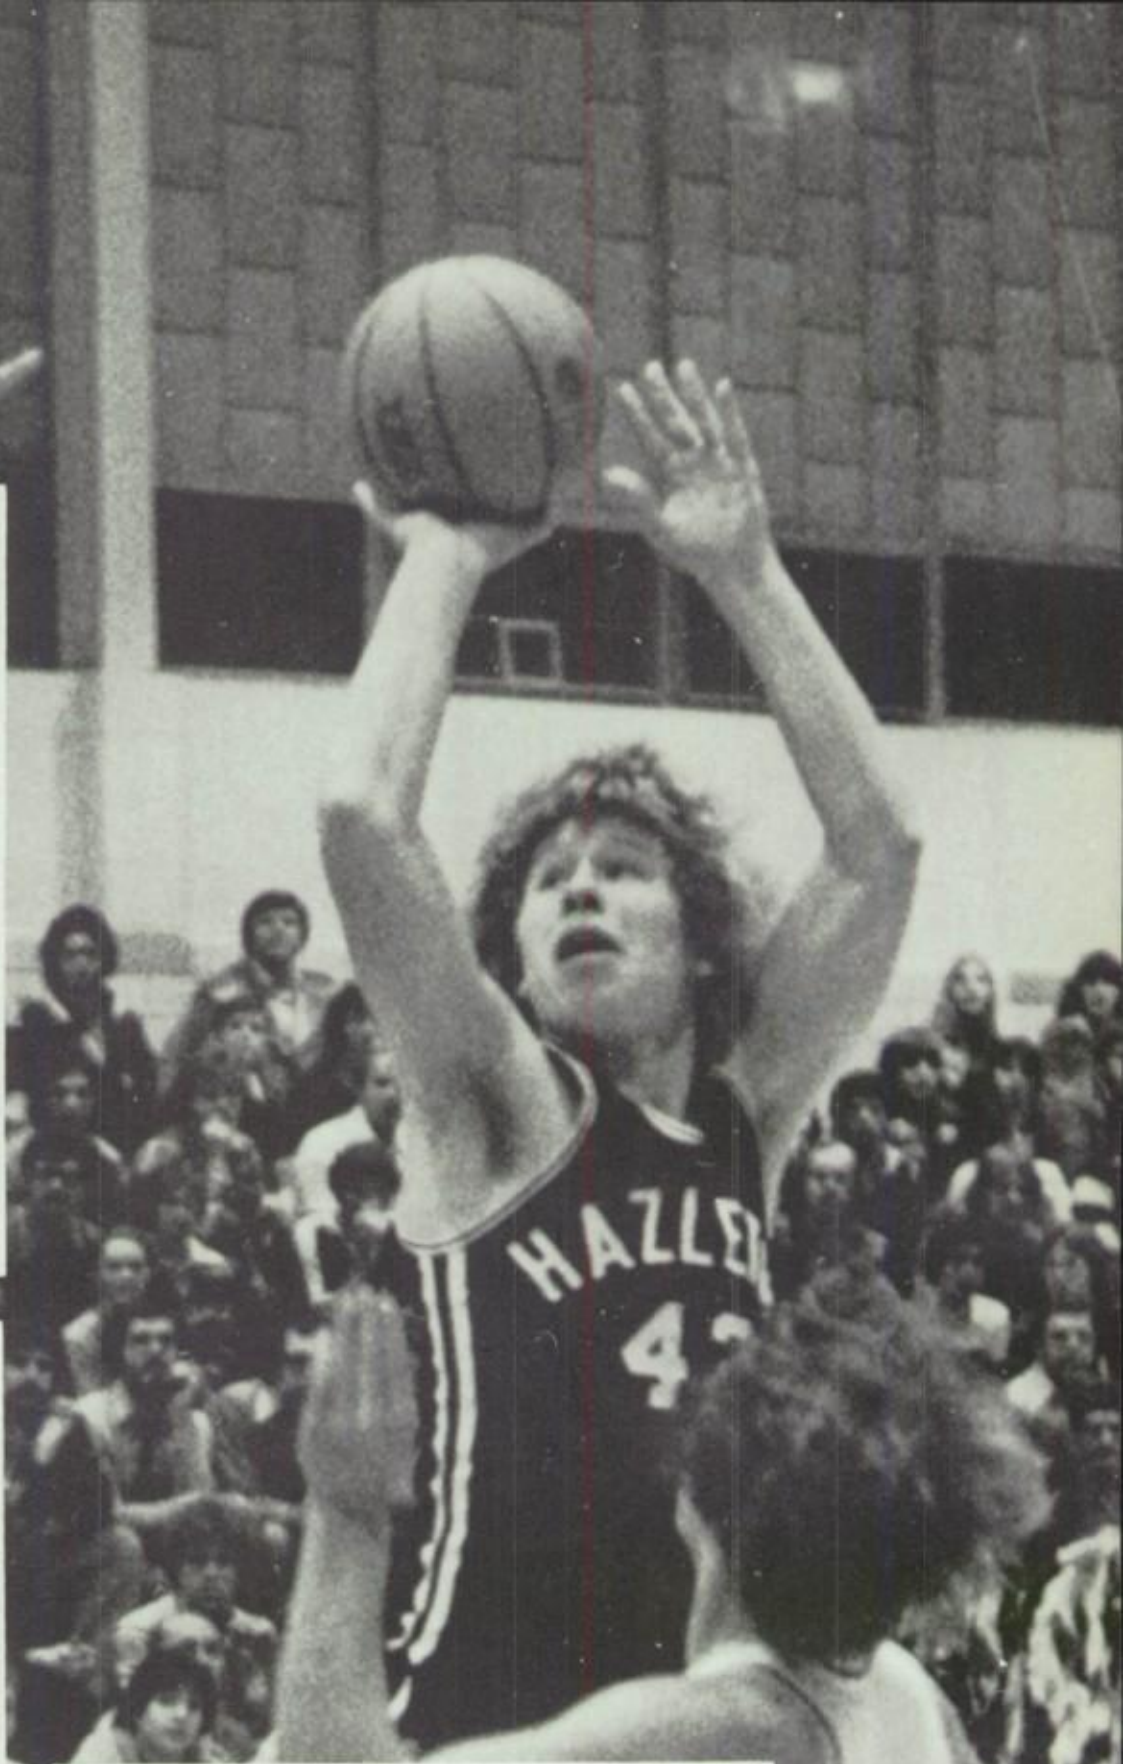

The team then opened its conference schedule with two wins and a loss. After that things went steadily downhill for the Mounts culminating in their third straight losing season.

When looking at this record one must take into account the extreme lack of height on this year's squad. The average size on the team was 5'11.6" with the tallest member being 6'3". Despite their record the Mounts should be commended for doing as well as they did considering their disadvantages.

Also deserving of congratulations is the Jay Vee team, coached by Joseph Scitney, which reversed the varsity record with a final tally of 17-10.

Bowlers Place First

The HHS boys' scratch bowling team placed first in the Anthracite Interscholastic Bowling League. The boys' handicap team also placed first and the girls' scratch took second. This was coach Joseph Feola's second year as coach of the team and the second consecutive year that both the boys' scratch and the boys' handicap took first place.

Team captain Joe Howard bowled the high game for the boys with a 236. Mark Petchel and Fran Paladino tied for high average with a 167. Petchel also had the highest two game series with a 417. For the girls Pam Urban led in all three categories with a high game of 226, two game series of 388 and an average of 155.

Wrestlers Compile Impressive Record

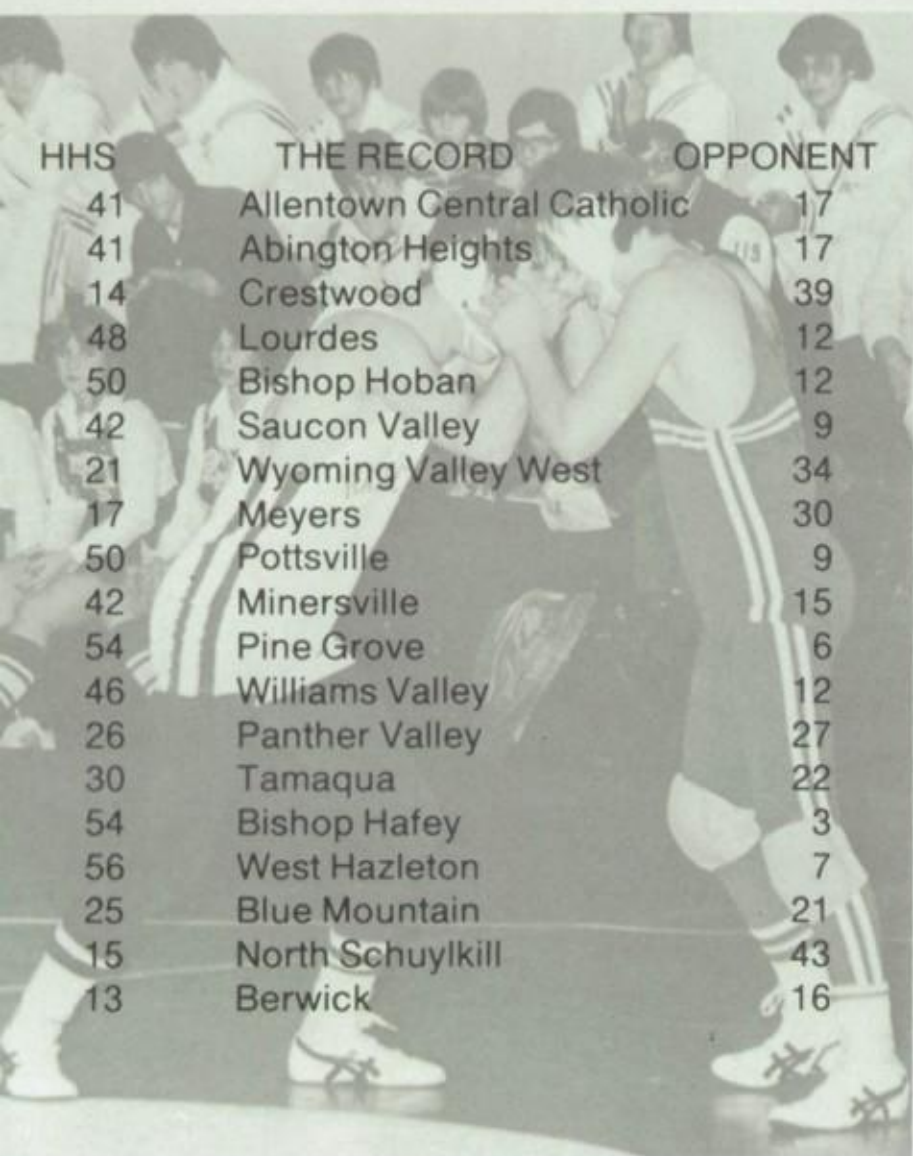

The HHS wrestlers finished with an impressive 13-6 record. In addition the Mounts placed fifth out of fifteen teams in the Schuylkill Wrestling League Tournament Championships. Gary Kaschak and Carmen Delese each took first place finishes in the 115 lb. and 141 lb. weight classes respectively. Also finishing high were Barry Lobitz, who placed third in the 158 lb. weight class and John Hoffman who placed fourth in the 188 lb. weight class.

The Mounts also placed well in the Easton Holiday wrestling Tournament finishing sixth out of seventeen teams entered. Carmen Delese again took first place, this time in the 148 lb. weight class. This time he was joined by Dennis Buchman who took first place honors in the 197 lb. weight class.

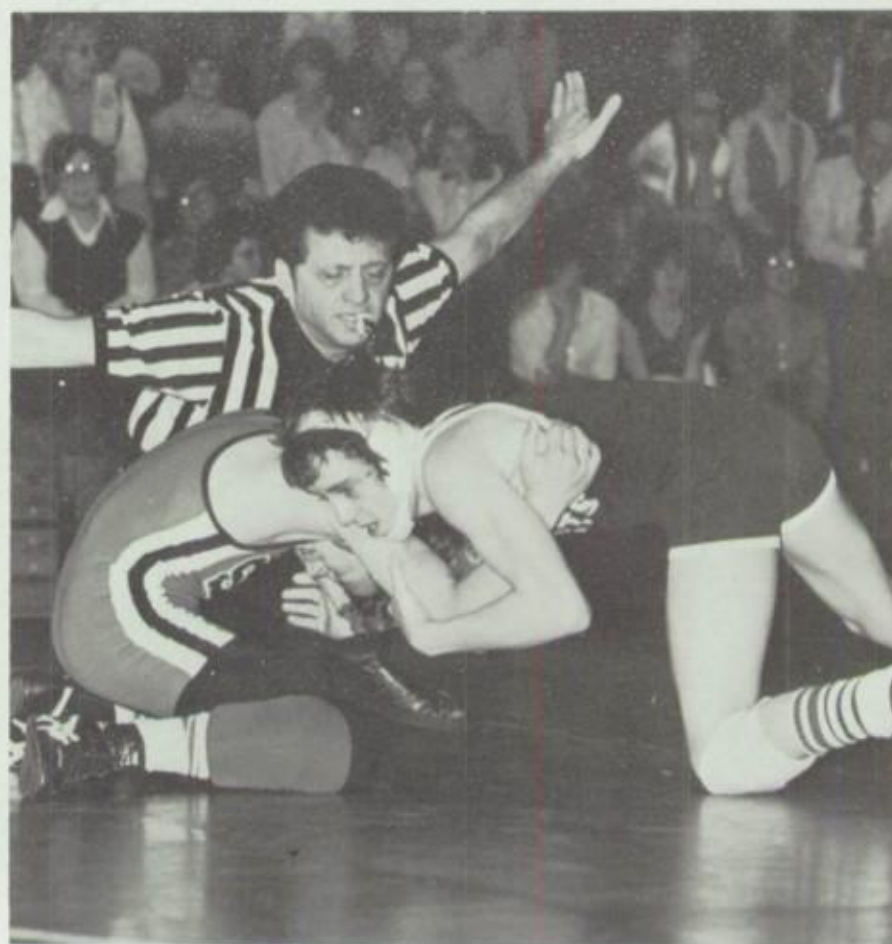

In the PIAA District 11 class AAA Wrestling Tournament HHS had two wrestlers eligible for first-round consolations. They were Scott Moisey at 98 lb. and Carmen Delese at 138 lb. Delese was forced to forfeit due to a back injury.

Coach Don Rohn and his team should be commended not only on their fine performance throughout the regular season, but also for their excellent performance in tournament action.

Girls 17-8 in Basketball

The HHS girls' basketball team finished 17-8 this year. The girls started the season well by winning seven of their first ten games. They then won the Line Mountain Girls' Basketball Tournament with victories over Blue Mountain and East Juniata. Noreen Garzio was named Most Valuable Player in the game against East Juniata. The Mounts then hit a slump losing four out of their next five but managed to finish the season strong, winning seven out of their last eight.

At the end of the season HHS went to the PIAA District 11 Class AAA playoffs but was eliminated in the first round by a loss to top-seeded Dieruff. Many feel that despite the girls excellent showing they could have done even better had Louann DeAndrea, who led the Mounts in scoring last season, been able to play. Louann suffered an injury to her knee during the second game of the season and was sidelined for the rest of the year.

The girls should be congratulated on an excellent season as should first year coach, Michael Klembara.

Fellin Sets HHS Pole-Vault Record

The 1979 HHS boys' track team seemed to take a back seat to the girls' team at least when their overall records are compared.

The record is somewhat deceptive, however, since although the boys ended with a disappointing dual meet record of 2-10, several members of the team really excelled in their individual events.

Foremost among these was senior pole-vaulter Gene Fellin, who started out by setting a Harman-Geist record of 12'4" bettering his own mark of 12'3" from last year. Fellin soon shattered this mark by clearing 13 feet in the Schuylkill League All-League Meet which gave him the league championship in this event. He then won the event at the District 11 Track and Field Championships at Lafayette College with a leap of 12'6". This qualified him for the PIAA state track meet at Shippensburg State College where he set a regional record of 13'9" and finished third in the state.

Fellin received the Scotty Roman Memorial Award at the end of the year which is presented to the regions outstanding scholastic athlete.

Girls Smash Track Records

The 1979 HHS girls' track team compiled an outstanding 7-2 record in the dual meet season of competition. The girls also shattered a whole list of school records in individual events throughout the season.

Some of the new records set were by Linda Matyas in the mile run; Noreen Garzio in the half-mile run; the 440-yard relay team of Diane Genetti, Denise Carsia, Maryann Iero, and Mary Joan Marsicano. Other records set by the team members included: Paula Sotir — 100 meter hurdles; Mary Joan Marsicano — 100 meter dash and 220 meter dash; Sandy Garzio — 400 meter run; Noreen Garzio, 800 meter run; Cindy Porecca — shot put; Diane Genetti — triple jump, and Dana Zink — high jump.

The Mounts concluded a successful season by coming in 2nd in the Quad-County Girls' Track Meet championships and winning a triangular track meet at Mahanoy Area by defeating Mahanoy Area 83-49 and Schuylkill Haven 96-34.

Baseball Team Wins League Title

The 1979 Mountaineer baseball team once again won the Hughie McGeehan Baseball League Championship defeating Jim Thorpe, The Southern Division champions, in a best of three series to retain the title. Three games were unnecessary for the Mounts who whipped Jim Thorpe 7-0 in the first game and 11-0 in the second to win their sixth title in the past seven seasons. The Mounts have won the title 20 times since the league was formed in 1945. This marked the ninth title for Coach Ed Morgan in 11 years as coach.

Earlier the Mounts wound up their winning season by defeating Marian 4-2 to win the Hughie McGeehan Baseball League Northern Division title. HHS finished the regular season with an 11-2 record.

Girls Winless in Softball Second Half

The 1979 girls' softball team did not have a successful season in Anthracite Girls' Softball League play. The girls ended the first half with a decent 2-3 overall record after whipping MMI 29-5, which gave some cause to hope for a winning second half. This was not to be, however, as the second half race wound up with HHS in the disastrous position of 0-4 in the standings.

The season, which was something of a disaster in itself, with constant rain-outs, postponements and schedule shifts due to rain, concluded with the Mounts having compiled an overall record of 2-7.

Tennis Team Has 4-4 Record

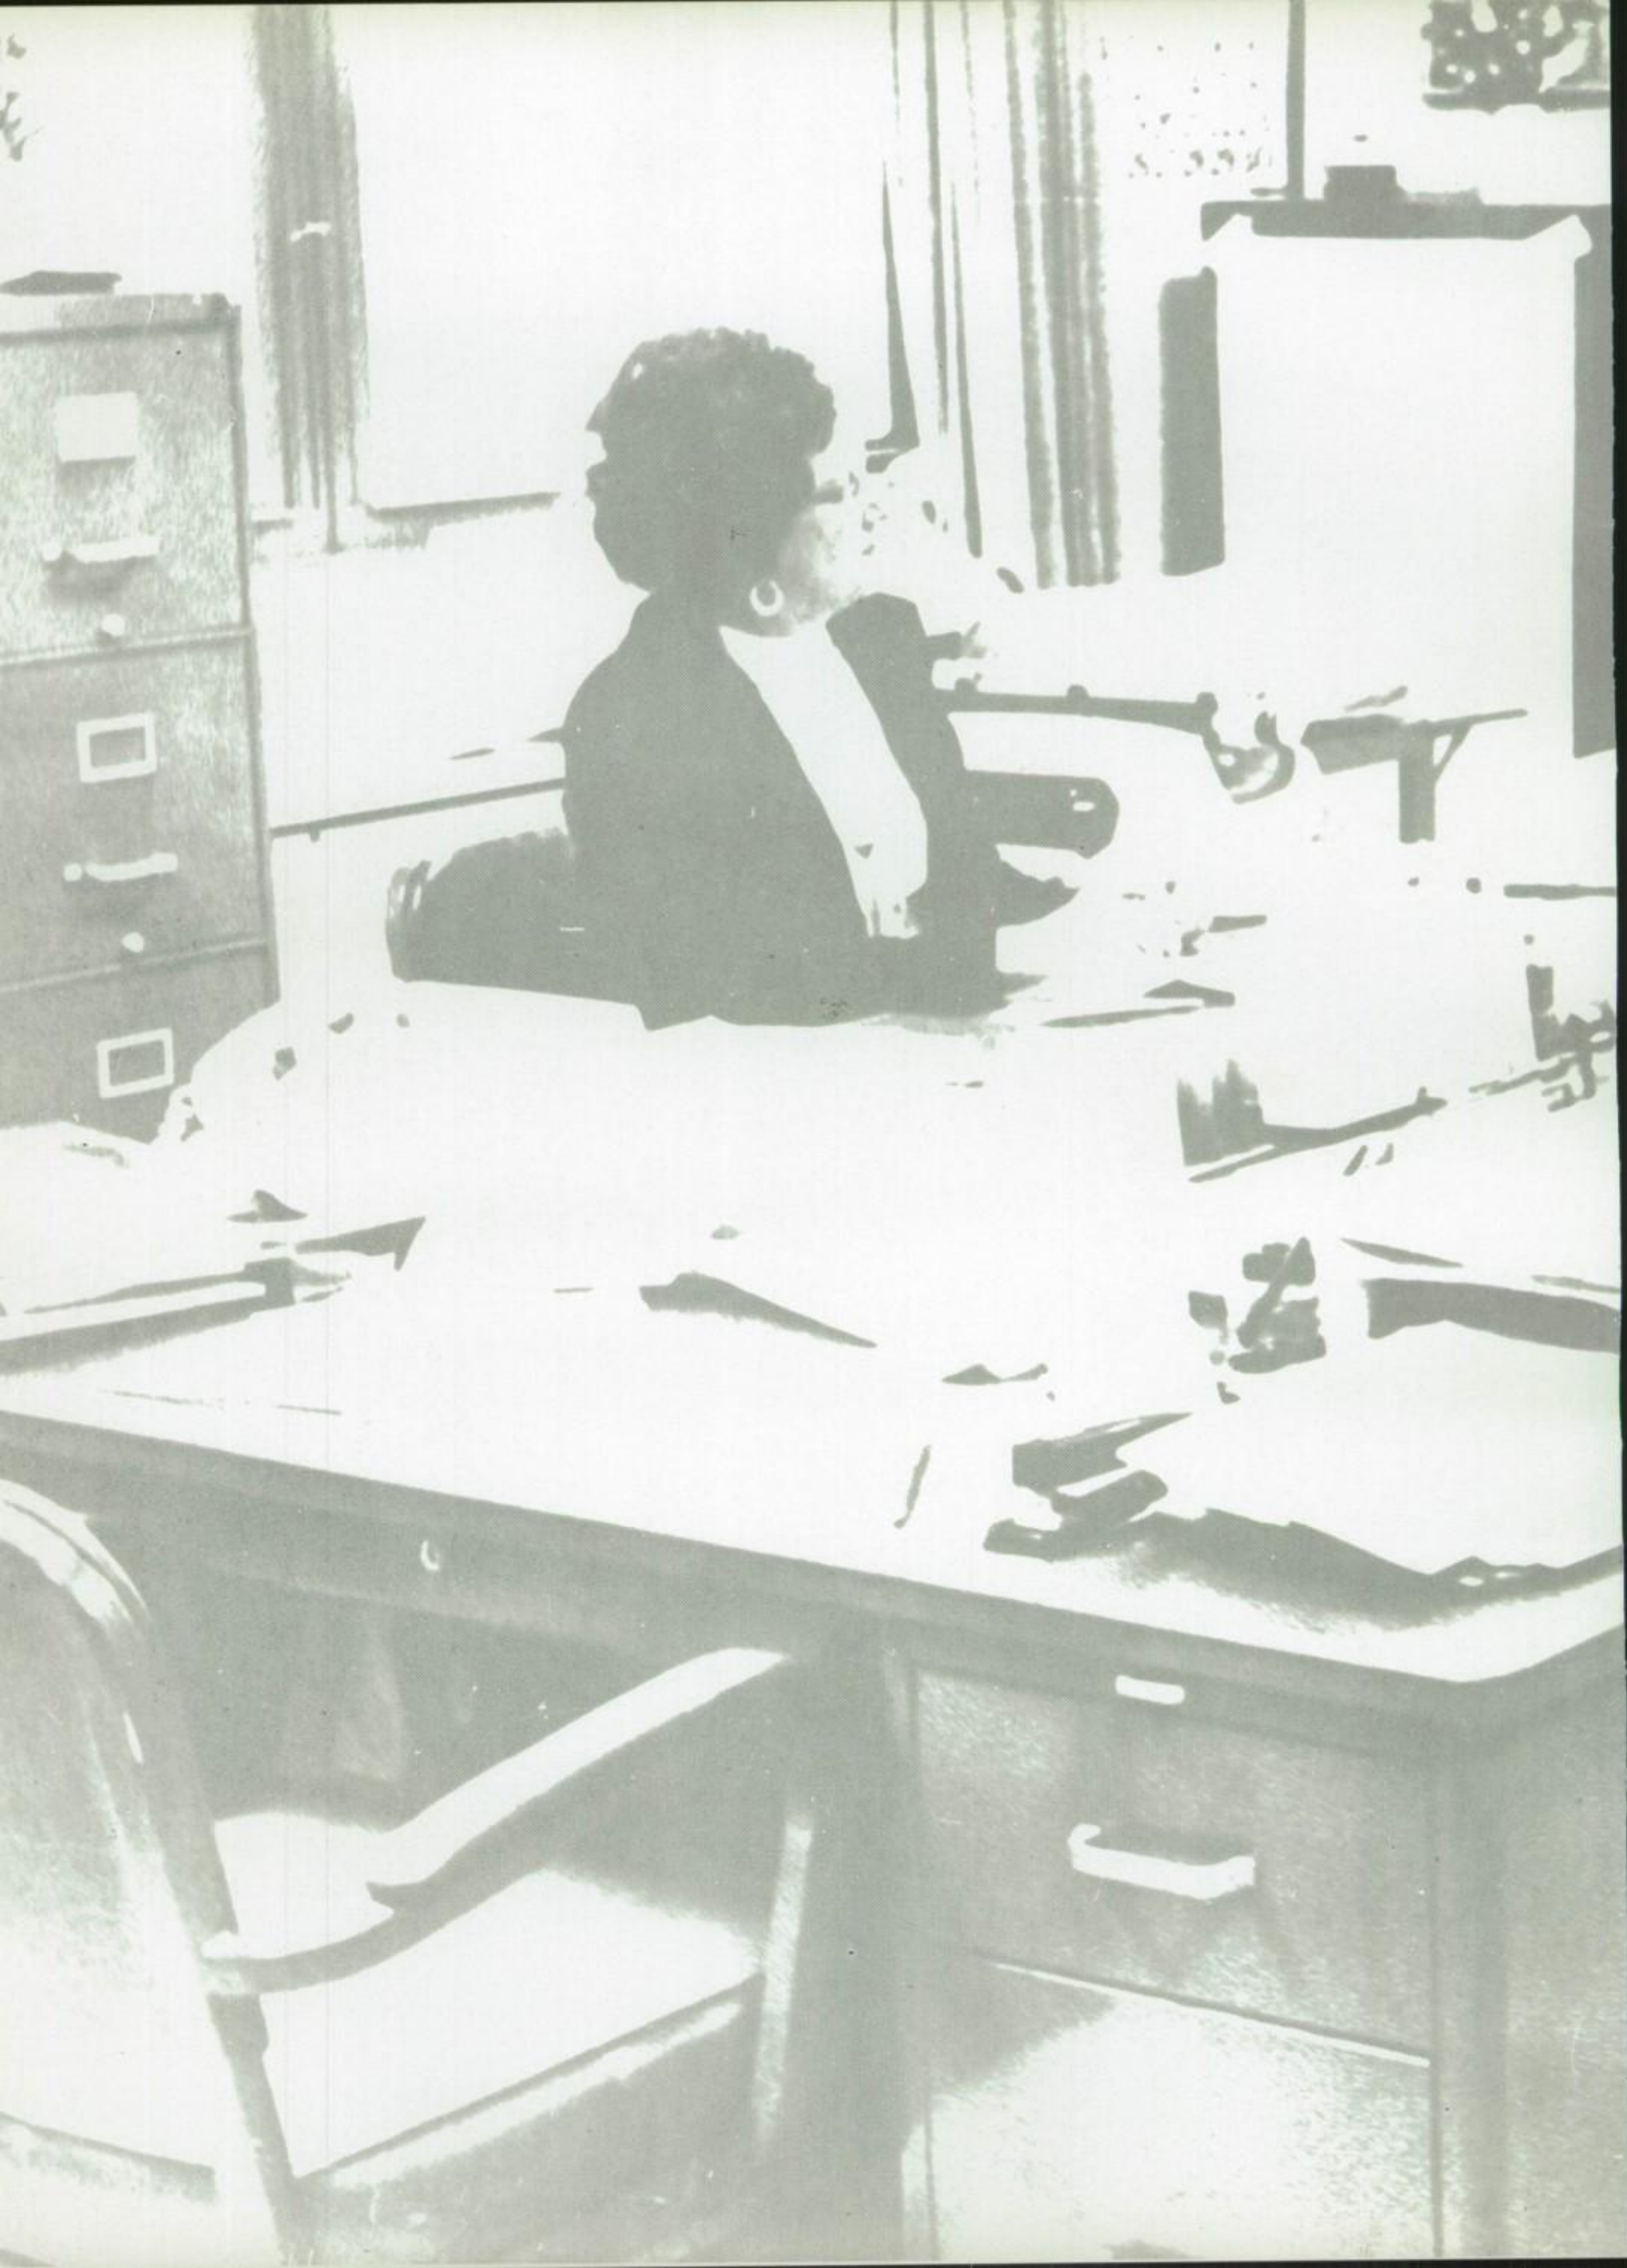

Tennis has been one of the fastest growing sports in recent years as evidenced by the increase in competitive play on the scholastic level.

The HHS tennis team had another exciting season of competition in the Anthracite Tennis League compiling a respectable 4-4 record overall and finishing 3rd in league play.

FACULTY

School Board Sets Policies

The Hazleton Area School Board is responsible for setting the policies which govern the many aspects of the far flung school district.

Along with other business, the board was occupied during much of the year with the many issues raised by the districts' building program.

At the reorganization of the board, Frederick Barletta was reelected president and Peter Albano assumed the vice-presidency.

Central Offices Moved

Central administrators of the Hazleton Area School District, headed by Mr. Daniel Parrell, superintendent of schools, had a busy and eventful year planning and administering the many programs that are necessary for the smooth functioning of a large school district such as the Hazleton Area.

This year the administrative offices were moved into the former T. L. Hinkle Elementary School Building.

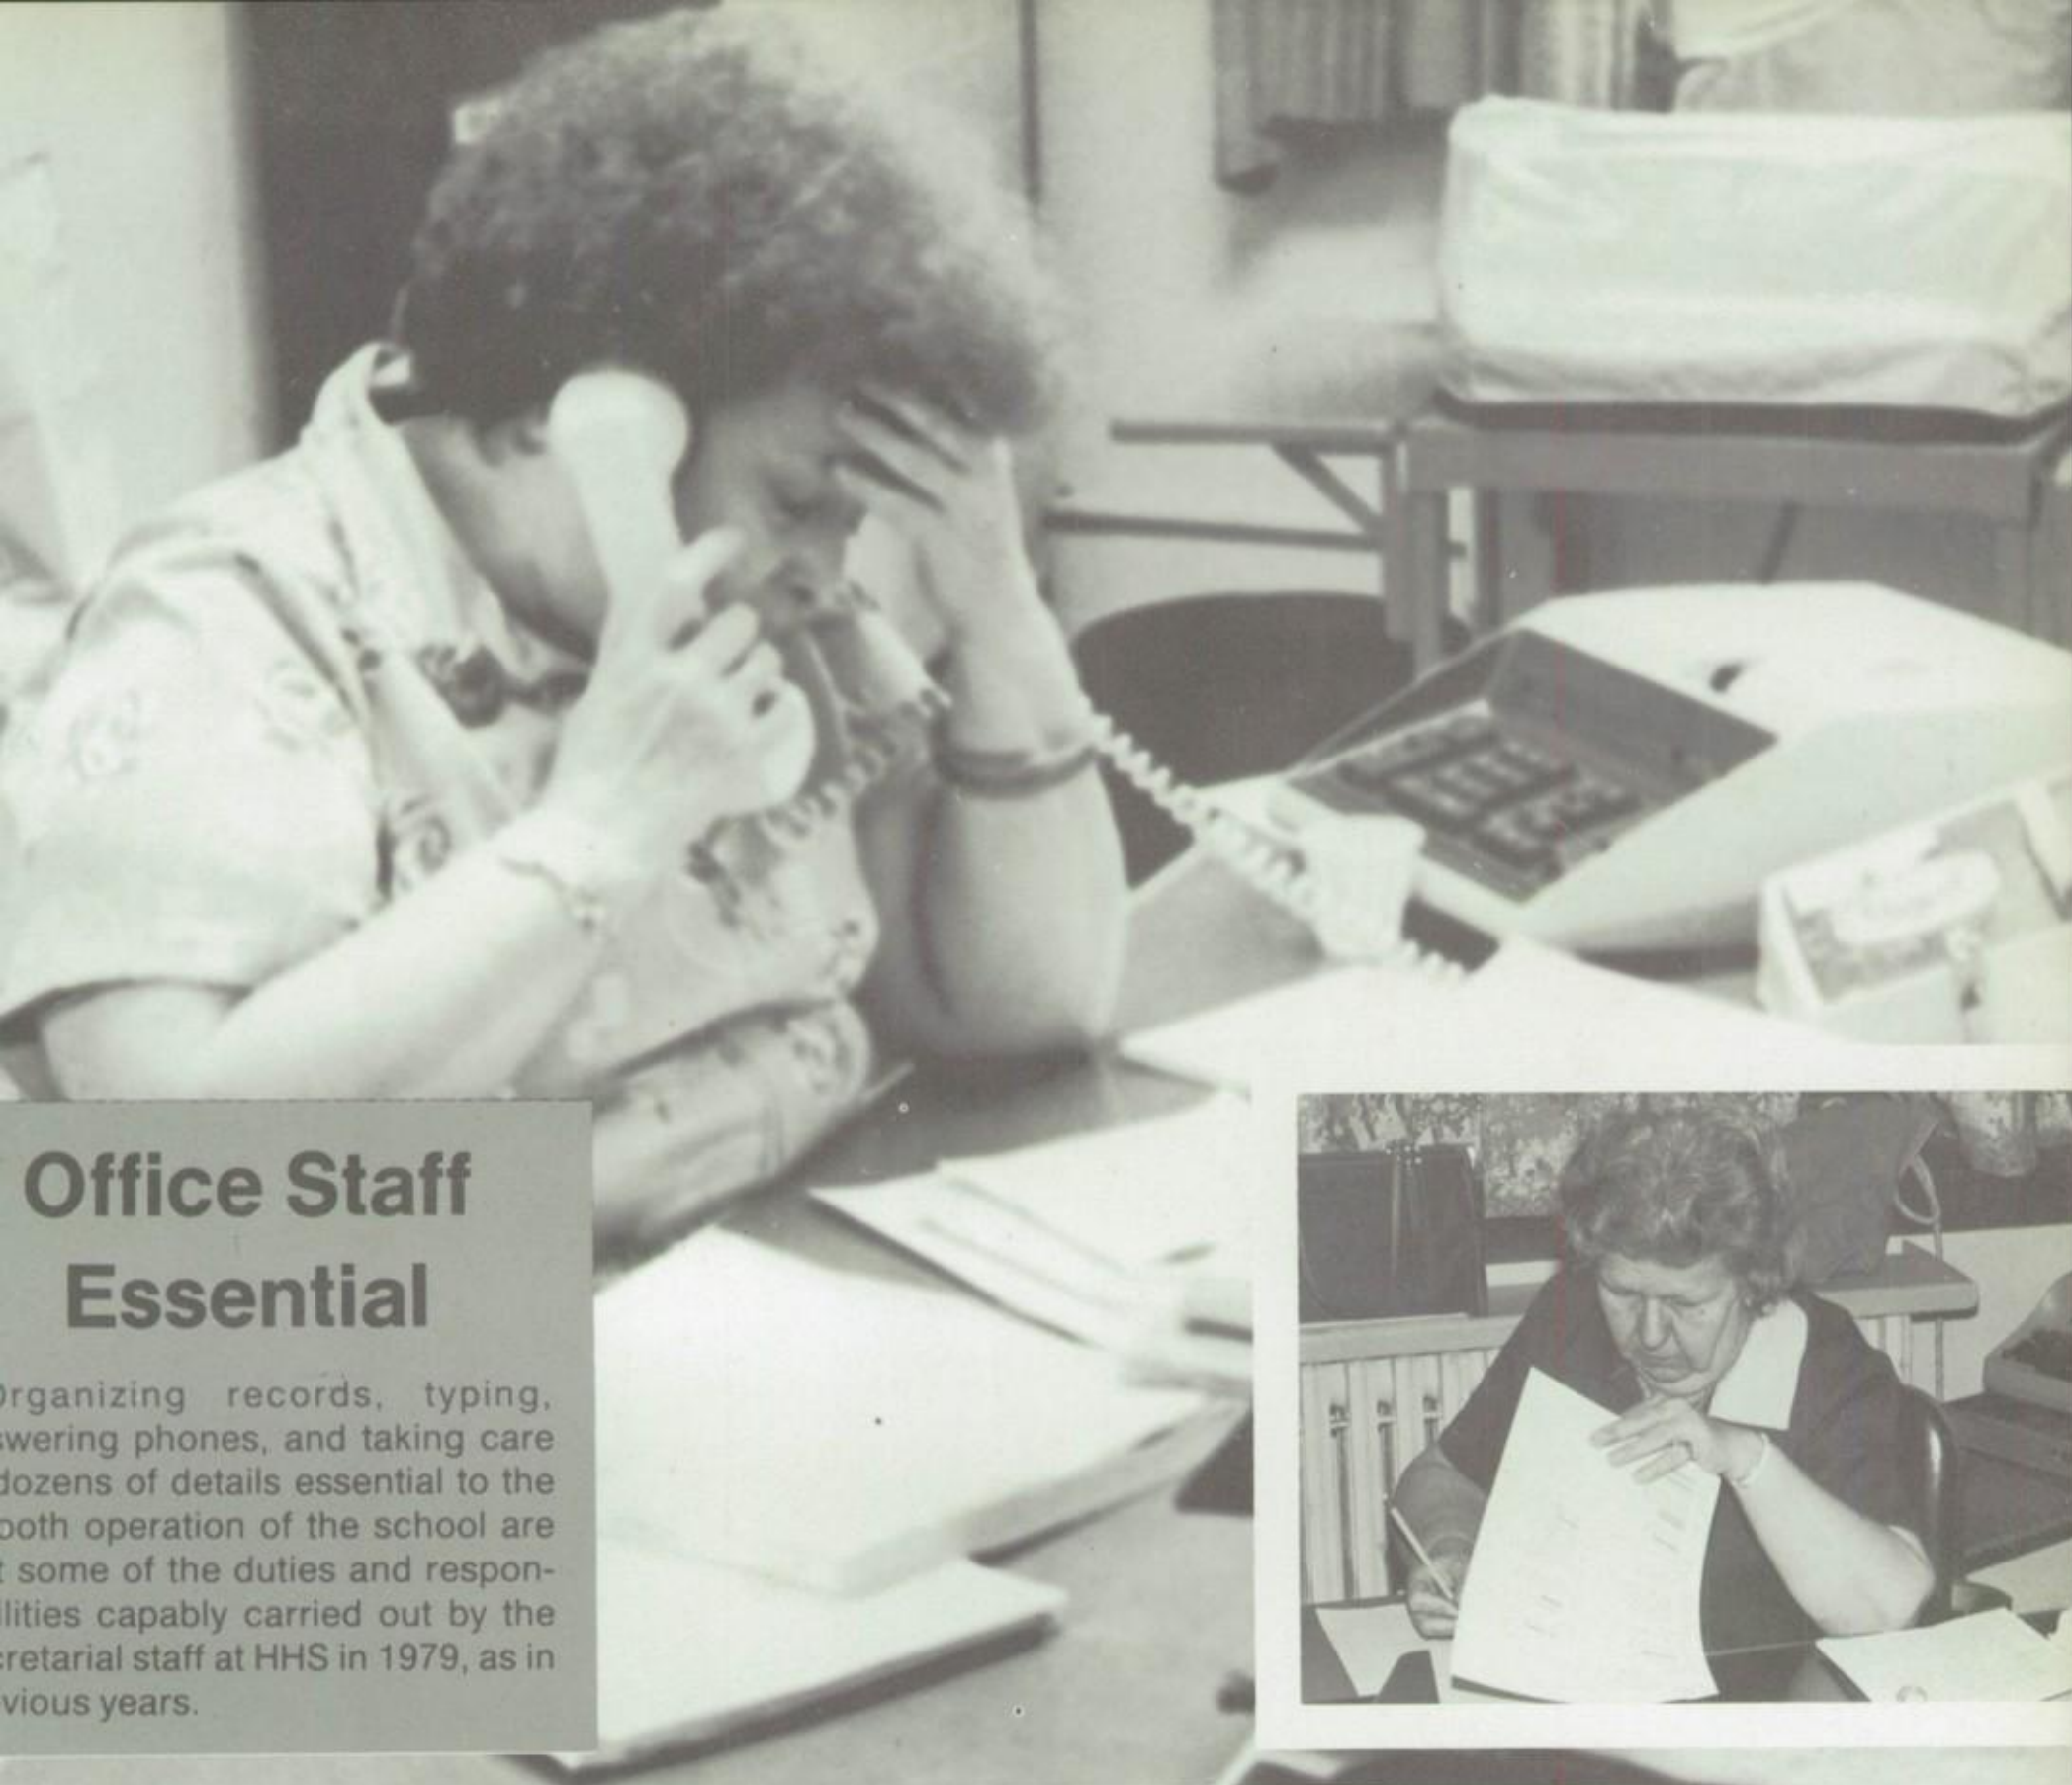

Daniel Parrell, superintendent of schools. BOTTOM, (L. to R.): Anthony Scarcella, director of secondary education; John Gallagher, director of curriculum and research; Carl Dargay, director of special services; Eugene Fellin, secretary-business manager.

New Vice-Principal Appointed

The school year began with an important administrative change at HHS. The appointment of Mr. Dale Long, vice principal, to the position of vocational school director left a vacancy in his former position. Mr. Daniel Veet, a guidance counselor at HHS for many years, was then appointed to assume the vice-principal position. Mr. Veet brought a wealth of experience to his new position, which should be a decided advantage to him in carrying out his duties.

TOP: Michael M. Minor, principal. ABOVE, (L. to R.): George Leitner, vice-principal; Daniel M. Veet, vice-principal. LEFT: Mr. Minor talks to Mr. Clarence John during FBLA meeting.

Office Staff Essential

Organizing records, typing, answering phones, and taking care of dozens of details essential to the smooth operation of the school are some of the duties and responsibilities capably carried out by the secretarial staff at HHS in 1979, as in previous years.

Lois Kessel, Bookkeeper.

Concetta Libonati, Secretary to Mr. Michael Minor.

Jane Seidel, Attendance Clerk.

Verna Shenosky, Transcript Clerk.

New Nurse Serves HHS

Service personnel include those people not directly involved in teaching within the school but still necessary for its effective functioning. At HHS these include the librarian, attendance officers, kitchen staff, maintenance people and school nurse. In 1979 HHS welcomed Regina D. Lubrecht as school nurse. She replaced Mrs. Gladys May who retired in 1978.

New Guidance Counselor Added

The guidance department at HHS devoted part of its efforts this year to developing plans for the inauguration of a gifted program to be introduced next year. The program is designed for students with special talents or abilities in different major areas.

Scholarship recognition and advanced placement in college are among the anticipated benefits for those students participating in the program.

A new counselor came to HHS this year, replacing Mr. Veet, who moved into an administrative position. Mr. Charles Zaremba was new to HHS, but familiar to many students since he came here from a position in a junior high school in the district.

English Teacher Retires

A schedule of special classes designed to help improve SAT scores among interested students was inaugurated this year with the participation of the English department. Mr. Parnell, Mr. Strzelecki, Mrs. Kudlick, Miss Arnold and Miss Turse were the English teachers taking part in this new program.

The department lost a dedicated teacher at mid-year with the retirement of Mrs. Elizabeth McAndrew after ten years of service at HHS. Replacing Mrs. McAndrew for the remainder of the year was Mr. Gary Labanoski, who came to HHS with several years experience as a substitute teacher in the Hazleton Area School District.

New Math Courses Planned

The math department, along with the English department, participated in the introduction this year of special classes designed to prepare students for college board tests.

Mr. Klembara, Mr. Lenchak, Mrs. Boyle, Mr. Salata and Mr. Leskie took part in the classes, which reviewed areas important in the testing and provided help to students in areas where required. Mr. Leskie, math department chairman, said that everyone involved felt the program was successful and it is being considered as a possible annual offering.

Also planned for next year is the introduction of advanced placement courses as a part of the school's new gifted program. These courses will be offered to students who have done well in previous math courses and who meet minimum criteria set up by the guidance office. The courses are being offered in geometry, math analysis and calculus. They are expected to contain one and one half times the normal amount of material covered in these classes.

In addition, the department began administering the National Math Contest, in which the three highest scores were made this year at HHS by John P. Boyce, Michael Harry and Suzanne Kavitsky.

Russia, Europe Studied in Social

Russia and Europe are among the most popular areas of study among students in the World Cultures classes at HHS, according to one of the teachers in the social studies department. Students also gain insights and understanding about current events in these and other classes offered by this department, all of which are designed to develop the basic elements of citizenship necessary in the modern world.

New Science Course Planned

Mr. Rocco Formica returned to resume his duties as chairman of the science department at HHS after a year's leave of absence during which he completed advanced studies at Penn State University. Mr. Joseph Scitney acted as department head during Mr. Formica's absence. One of the tasks occupying members of the department this year involved planning an Advanced Placement Biology course for students who have shown unusual ability in other science courses. Projected for next year, the course will cover approximately the material covered in first year college courses.

Language Students Use Many Resources

Through the use of such facilities as the language lab, foreign language students are able to hear and interpret the spoken language thus making the particular language more familiar in its everyday usage.

This is one of many specialized features offered by this department which are designed to familiarize the student not only with the language being studied, but also with the people who speak it and with their customs. This year, these features included trips made to Kings College by the French, Spanish and German classes to view movies in these respective languages.

Also French IV and Spanish IV classes attended the Foreign Fete sponsored by the Valley YMCA in Conyngham, at which speakers representing 5 foreign countries discussed their countries and prepared native dishes.

Business Skills Taught

Office skills and knowledge required in initial employment opportunities are taught by members of the business department at HHS. These include typing, shorthand, billing, and the use of mimeograph machines.

Business students are not the only ones who can benefit from the course offerings in this department, however. The college-bound student can gain valuable tools from courses in typing or note hand available at HHS.

Driving Students Learn Rules

Theory and practical experience are both necessary in training a student to become a safe driver. Both are emphasized in the driver education program provided at Hazleton High School. This year, as in the past, students enrolled in the driving program studied the rules, regulations and legal aspects of driving along with the actual experience gained behind the wheel in the practical driving part of the curriculum.

CPR Course Added to Health

An important addition to the health curriculum was made this year with the addition of a CPR unit (Cardio-Pulmonary Resuscitation) into the regular health course. Mr. Stewart and Mrs. George decided to introduce the classes after they had an opportunity to take a course which certified them to certify others. In addition to teaching the CPR techniques in their regular classes, they also set up special classes in their free periods for any seniors or faculty members who wanted to be certified. Despite some problems in working out schedules, and with too large classes, the course was very successful with about 500 students being certified.

Electives Varied

The multifaceted elective course offerings at HHS continued to provide each student with the opportunity to develop a variety of interests while earning a full credit. Art areas covered in the curriculum included sculpture, painting and drawing, photography and creative crafts. Drafting, power technology and industrial materials were areas included in the industrial arts curriculum. Students with a musical inclination were able to choose between classes in vocal and instrumental music, while additional elective courses provided instruction in cooking, home economics, family living, and distributive education.

Senior class members await start of class meeting.

Top Seniors Announced

Top academically ranked students of the graduating class at HHS are usually singled out for honors as the top ten. This year, however, because of a tie for tenth place, eleven students were named to the list of those seniors who have achieved the highest grade averages in the class of 1979.

Senior Class Officers Organize Projects

The organization of fund-raising projects and social activities occupied the senior class officers during much of the year. These were designed to help defray the cost of senior expenses such as the prom as well as to provide seniors with the opportunity to get to know one another better and increase class spirit.

Activities included dances, concerts, bus trips, and the sale of "Bargain Pak's" containing household articles. Seniors selected as their class theme Billy Joel's "Everybody Has a Dream". Painter caps were chosen as the class hat, worn by seniors on Senior Day.

BELOW: 1979 SENIOR CLASS OFFICERS: Larry DeBello, vice-president; Mary Joan Marsicano, secretary; Joseph Lehan, president; Lisa Thomas, treasurer; Mr. William McCann, advisor. TOP RIGHT: Senior hats are sold in athletic office. TOP LEFT: Joseph Lehan, senior class president, waits to see Mr. Minor.

Auditorium is filled with painter caps on Senior Day.
